# 2023 REAL PROPERTY INCOME AND EXPENSE WORKSHEET AND INSTRUCTIONS FOR GAS STATION, CAR WASH AND OIL CHANGE FACILITIES

FILING DEADLINE: JUNE 3, 2024

**This is NOT the Real Property Income and Expense (RPIE) form. You MUST file all RPIE forms electronically. This form is to be used for worksheet purposes only.**

## GENERAL INFORMATION

Owners of income-producing properties with an Actual Assessed Value of more than \$40,000 as stated on the 2024-2025 Tentative Assessment Roll are required to file Real Property Income and Expense statements ("RPIE") or a Claim of Exclusion annually with the Department of Finance (DOF). Finance uses this and/or information from similar properties to estimate the market value of property for tax purposes.

Even if your income-producing property has an Actual Assessed Value of less than \$40,000, you may still want to provide information about your property electronically to assist us in providing a more accurate estimate of the market value.

Please note that this worksheet and instructions are for gas station, car wash, and oil change facilities. These instructions do not apply to the following specialty properties types: hotels, adult care/nursing home facilities, theaters or concert halls. These property types are covered in their own instructions that you can download from [nyc.gov/rpie](http://nyc.gov/rpie).

### RPIE EXCLUSIONS

#### How do you file a Claim of Exclusion?

#### Who does not have to file an RPIE or Claim of Exclusion? Owners with:

- Residential properties containing 10 or fewer dwelling units
- Tax Class 1 or Tax Class 2 properties with six or fewer dwelling units and no more than one commercial unit

**SECTION C – NOT APPLICABLE FOR GAS STATION, CAR WASH AND OIL CHANGE FACILITIES****SECTION D - RPIE EXCLUSIONS**

If you are identified as a required RPIE-2023 filer, you will need to complete an income and expense form or complete a claim of exclusion in Section D. If your property is income-producing and eligible to claim an RPIE exclusion, please identify one of the exclusions listed in the section below.

**Exclusions include:**

- a.** Properties with actual AV (Assessed Value) as shown on the Tentative Assessment Roll 2024-2025 of \$40,000 or less.
- b.** Properties that are both exclusively residential and have 10 or fewer apartments, including both vacant and occupied units.

Your property must be in Tax Class 1 or Tax Class 2, and the unit count must include all units whether vacant or occupied. For example, if your property has five residential and two commercial units, you must file an RPIE because you have two commercial units.
- d.** Residential cooperative apartment buildings with no more than 2,500 square feet of commercial space (not including garage space). To claim this exclusion you must still complete the RPIE-2023 (Parts I and IV). An RPIE is required for unsold sponsor-owned units if 10% or more of the units remain unsold.

- h.** The property is owned by a not-for-profit organization, government entity or is otherwise fully exempt from property taxes and is not rented to any commercial, non-exempt tenants. If the property is rented to a commercial, non-exempt tenant, the filing requirement may be satisfied by the tenant or lessee filing an RPIE on behalf of the property.
- i.** The property is vacant or uninhabitable and has no existing leases. If there are any existing leases, the owner must file the RPIE.
- j.** “Vacant, non-income-producing land” applies to empty lots only.
- k.** The owner has not operated the property and does not know the income and expenses for the entire calendar or fiscal year of the reporting period.
