RPIE - 2024

WORKSHEET FOR HOTELS

Real Property Income and Expense Worksheet and Instructions for Hotels

This is NOT the RPIE form. This document is designed to assist you in completing the RPIE form for hotels on our website.

RPIE-WORKSHEET

Revised 2.4.25

nyc.gov/rpie

This is NOT the Real Property Income and Expense (RPIE) form. You MUST file all RPIE forms electronically. This form is to be used for worksheet purposes only.

GENERAL INFORMATION

Owners of income-producing properties with an Actual Assessed Value of more than \$40,000 as stated on the 2025-2026 Tentative Assessment Roll are required to file Real Property Income and Expense statements ("RPIE") or a Claim of Exclusion annually with the Department of Finance (DOF). The department uses this and/or information from similar properties to estimate the market value of property for tax purposes.

Even if your income-producing property has an Actual Assessed Value of less than \$40,000, you may still want to provide information about your property electronically to assist us in providing a more accurate estimate of the market value.

Please note that this worksheet and instructions are for hotels. These instructions do not apply to the following specialty properties types: adult care/nursing home facilities, theaters or concert halls, gas station, car wash, and oil change facilities. These property types are covered in their own instructions that you can download from nyc.gov/rpie.

RPIE EXCLUSIONS

How do you file a Claim of Exclusion?

To file a Claim of Exclusion, you must complete Section D of the RPIE-2024 form. Owners of real property who are not required to file income and expense information must submit a Claim of Exclusion each year.

Please note: If you own the property but have no knowledge of the income and expenses for the entire calendar or fiscal year, you must file a Claim of Exclusion.

Who does not have to file an RPIE or Claim of Exclusion? Owners with:

- Properties that have an Actual Assessed Value of \$40,000 or less
- Residential properties containing 10 or fewer dwelling units
- Tax Class 1 or Tax Class 2 properties with six or fewer dwelling units and no more than one commercial unit
- Special franchise properties

IMPORTANT FILING INFORMATION

- Online Filing Requirement: All filers are legally required to file electronically unless the Department of Finance grants a waiver. Filers who wish to request a waiver from the electronic filing should call 311 for an application or download the application from nyc.gov/rpie. The deadline for electronic waiver requests is May 1, 2025
- **Deadline** -- The submission deadline for all RPIE filings is **June 2**, 2025.

CUSTOMER ASSISTANCE

Please call 311 or email the Department of Finance at rpie@finance.nyc.gov

PART I: OWNER AND PROPERTY INFORMATION

Please check your mailing address for accuracy. Owners are responsible for maintaining a current mailing address with Finance at all times. You can see the mailing address on file by looking at your latest Notice of Property Value or Property Tax bill. Changes to your address can be made online at http://nyc.gov/changemailingaddress or by calling 311.

SECTION A - OWNER/FILER INFORMATION

- 1a. Enter name(s) of up to two owners of the property.
- **b./c.** Enter each listed owner's Employer Identification Number (EIN) or Social Security Number (SSN).

The Federal Privacy Act of 1974, as amended, requires the Department of Finance to inform you as to whether compliance with the request is voluntary or mandatory, the legal authority to request the information, and how the information will be used. Owners must provide their Social Security Number on this form under the authority of section 11-102.1 of the Administrative Code of the City of New York. Social Security Numbers are required to facilitate the processing of real property income and expense data for tax administration purposes. The Social Security Numbers may be further disclosed to other departments or agencies, or to persons employed by such departments or agencies, only for tax administration purposes, or as otherwise provided by law or judicial order.

- 2a. Enter the name of the person filing the RPIE. The filer may be an owner, owner representative, lessee or lessee representative who is authorized to provide this information and has knowledge of such information.
- b./c. Enter the filer's Employer Identification Number or Social Security Number.
- d. Use the dropdown box to select the filer's relationship to the property.

SECTION B - CONTACT INFORMATION

Provide contact information for the person who can respond to questions about this filing and receive the confirmation email once the RPIE is submitted. Additional email addresses for the confirmation email can be entered on the Certification page.

SECTION C – CONSOLIDATED LOTS

(To access, first check box in Section A for consolidated lots)

Consolidated lot filings apply to two or more properties that meet the following criteria. The properties must:

- Operate as a single economic unit
- Be located in the same borough.
- Share the same ownership
- Have the same Tax Class.
- All be hotels if one is a hotel
- Be located on contiguous lots*

* Contiguous lots are those that share either an edge or boundary, are neighboring, adjacent, or adjoining. This definition can include nearby lots within the same tax block or those separated by roads or paths. Please note that consolidated lot filings are not available for the following specialty property types: adult care/nursing home facilities, gas stations, car washes, oil change facilities, self-storage, theatres or concert halls.

If your properties meet all the above criteria and you want to submit a consolidated filing, allocate the properties' income and expense using either square footage or number of units. Select allocations by a percentage of income to each lot only if square feet or number of units is inappropriate for allocating your properties' income and expense.

SECTION D - RPIE EXCLUSIONS

If you are identified as a required RPIE-2024 filer, you will need to complete an income and expense form or complete a claim of exclusion in Section D. If your property is income-producing and eligible to claim an RPIE exclusion, please identify one of the exclusions listed in the section below.

Exclusions include:

- **a.** Actual AV (Assessed Value) as shown on the Tentative Assessment Roll 2025-2026 is \$40,000 or less.
- **b.** The property is both exclusively residential and has 10 or fewer apartments, including both vacant and occupied units.
- **c.** The property has both six or fewer residential units and no more than one commercial unit. Your property must be in Tax Class 1 or Tax Class 2 and the unit count must include all units whether vacant or occupied. For example, if your property has five residential and two commercial units, you must file an RPIE because you have two commercial units.
- **d.** Residential cooperative apartment buildings with no more than 2,500 square feet of commercial space (not including garage space). To claim this exclusion you must still complete the RPIE-2024 (Parts I and IV). An RPIE is required for unsold sponsor-owned units if 10% or more of the units remain unsold.
- e. Individual residential units in a condominium building/development. For a residential condominium that has commercial space, professional space, and/or has 10% or more unsold sponsor-owned units, an RPIE must be filed for the commercial space, professional space or the unsold sponsor-owned units. An RPIE must also be filed for residential units that are rentals and not intended to be individually owned.
- f. If rented exclusively to a person or entity related to the owner:
 - Business entities under common control.
 - Fiduciaries and the beneficiaries for whom they act.
 - Spouse, parents, children, siblings and parents in-law.
 - Owner-controlled business entities.

- **g.** The entire property is owner-occupied. This exclusion does not apply to owners of department stores of 10,000 square feet or more, hotels or motels (whether occupied in part or in their entirety), parking garages or lots, power plants and other utility-property, adult care/nursing home facilities, gas stations, car washes, oil change facilities, self-storage, theatres or concert halls.
- **h.** The property is owned by a not-for-profit organization, government entity or is otherwise fully exempt from property taxes and is not rented to any commercial, non-exempt tenants. If the property is rented to a commercial, non-exempt tenant, the filing requirement may be satisfied by the tenant or lessee filing an RPIE on behalf of the property.
- i. The property is vacant or uninhabitable and has no existing leases. If there are any existing leases, the owner must file the RPIE.
- j. "Vacant, non-income-producing land" applies to empty lots only.
- **k.** The owner has not operated the property and is without knowledge of the income and expenses for the entire calendar or fiscal year of the reporting period.

If you claimed exclusion(s), but still want to file income and expense information with the Department of Finance, select "OK" at the pop-up message prompting you for a response on voluntary filing.
