## SCRIE TENANTS LIST ~ By Borough/Block/Lot

- This report displays information on tenants that are currently receiving SCRIE or who have received SCRIE in the last year; it includes tenants that have a lease expiration date of 12 months ago and forward.
- This report also includes information on renewal tenants with a pending application ~ these applications to renew the SCRIE benefit have been received by DOF but deemed incomplete. Tenants with pending applications are mailed letters informing the applicant of what information must be supplied so that the application can be processed.
- This report is sorted by Docket Number, and then by application number. You may see a docket number with more than one application. This would happen if a tenant's prior lease expired less than 12 months ago.
- This list does not include initial applicants that were denied or pending as they never received SCRIE benefits.
