<b>Animal Welfare</b>				
Total weight of animal products purchased				<i>To be included in future reporting</i>
<b>Nutrition</b>				
Compliance with Food Standards	96%	97%	96%	Compliance according to the NYC Food Standards

<sup>19</sup> Due to challenges related to COVID-19, NYC Aging was unable to collect purchasing data prior to Fiscal Year 2022.

<sup>20</sup> Total Food Spend includes Older Adult Centers and Home Delivered meals. Home delivered meals are reimbursed by unit, not line item, so the amounts provided reflect some expenses that are not food-related.

<sup>21</sup> The NYS GFP metric includes all spend for items that were either grown, processed, manufactured, or distributed by business enterprises located within New York State. In comparison, the Good Food Purchasing Program local definition also takes ownership structure into account, only including spend for items where the grower, processor, or manufacturer is family or cooperatively owned, and the spend is weighted based on different points in the supply chain.

<sup>22</sup> MWBE, MBE, and WBE spend includes spend on businesses that have M/WBE certifications as well as those that self-identify as minority or women owned
