

**PUBLISHED: 12/11/2024**

**NEW YORK CITY HOUSING AUTHORITY  
NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS**

This is a Notice of Intent to Request a Release of Funds under the New York City Housing Authority (“NYCHA”) preservation initiative Permanent Affordability Commitment Together (“PACT”). NYCHA intends to submit application(s) to the U.S. Department of Housing and Urban Development (“HUD”) for the disposition of public housing property as authorized under Section 18 of the U.S. Housing Act of 1937 as amended and implementing regulations at 24 C.F.R. Part 970 (“Section 18”), the Rental Assistance Demonstration (“RAD”) created by the Consolidated and Further Continuing Appropriations Act of 2012 (Public Law 112-55) and the corresponding Notice H 2019-09 PIH 2019-23 (September 5, 2019). The City of New York, acting through the New York City Department of Housing Preservation & Development (“NYC HPD”), is serving as the Responsible Entity (“RE”) for NYCHA pursuant to the National Environmental Policy Act (“NEPA”) 24 C.F.R. Part 58.

**NYCHA PACT Moore & East 152 St-Courtlandt Ave**

Approval of the disposition of public housing property will facilitate the PACT program and the rehabilitation and preservation of such housing as long-term, project-based Section 8 assisted housing. NYCHA will convey Moore & East 152nd St-Courtlandt Ave, which comprises two (2) separate public housing developments, the Moore Houses and East 152<sup>nd</sup> Street-Courtlandt Avenue located in the Mott Haven and Melrose neighborhoods of the Bronx, in the State and City of New York (“Project Site”) by leasing the Project Site to MC Preservation Alliance LLC (collectively, the “Developer”). The Developer will conduct repairs, serve as the new on-site property manager, and provide ongoing property management, oversight, enhanced social services, and community programs. NYCHA’s disposition to the public/private partnership would be through a 99-year ground lease, and NYCHA will remain the fee owner of the Project Site. At such conveyance, the Project Site will be converted from public housing (Section 9) to long-term project-based Section 8 assisted housing pursuant to Section 18 and RAD.

The Project Site comprises two (2) existing non-contiguous NYCHA public housing developments. The East 152nd Street-Courtlandt Avenue development contains two (2) buildings. Building 1 is located mid-block and bounded by East 152nd Street to the north, Melrose Avenue to the East, East 151<sup>st</sup> Street to the south, and Courtlandt Avenue to the west. Building 2 is located mid-block and bounded by East 153rd Street to the north, Melrose Avenue to the East, East 152nd Street to the south, and Courtlandt Avenue to the west. The development is comprised of two multifamily residential apartment buildings, 11-story and 14-story, and has a total of 223 residential units. The development also contains landscaped areas and surface parking.

The Moore development contains two (2) buildings. Building 1 is located on the northwest portion of the Moore development, while Building 2 is located on the southeast portion. The Moore development is bound by East 149th Street to the north, Jackson Avenue to the east, Trinity Avenue to the south and St. Mary’s Park to the west. The campus comprises two 20-story, multifamily residential apartment buildings with 463 residential units. The campus also contains landscaped areas, surface parking, and a recreational sports court. (See **Table 1**: for a complete list of building addresses).

Such disposition and conversion of the Project Site to Section 8 under the PACT methodologies (Section 18 and RAD) will allow the Developers to finance, rehabilitate, operate, manage the Project Site, and provide social services to residents while maintaining affordability and residents’ rights in line with public housing protections. The Developers will also address environmental hazards conditions such as lead-based hazards, asbestos, radon, mold, and leaks at the Project Site.

(collectively, the “Proposed Project”). The Proposed Project will not involve a change in the unit density or a change in land use at the Project Site. NYCHA seeks to identify resources and opportunities to significantly improve its public housing developments while preserving long-term affordability and maintaining strong resident rights in line with public housing protections. The PACT program facilitates such preservation and rehabilitation by using multiple conversion methods from public housing Section 9 to long-term project-based Section 8 rental assistance under RAD and Section 18. The conversion to long-term project-based Section 8 rental-assisted housing allows the Developers to finance much-needed repairs to the Project Sites. Additionally, PACT requires that residents retain resident rights in line with their current public housing rights and prohibits the permanent involuntary displacement of current residents as a result of the conversion.

An Environmental Review Record (“ERR”) that documents the environmental determinations for the Proposed Project is on file at NYC HPD and may be requested by emailing at [nepa\\_env@hpd.nyc.gov](mailto:nepa_env@hpd.nyc.gov).

#### PUBLIC COMMENTS:

Any individual, group, or agency may submit written comments to NYC HPD within 7 days of this Notice. The NYC HPD will consider all comments received by the end of the comment period before submitting the request for release of funds to HUD. After receiving the request for release of funds, HUD will also accept comments for 15 days.

#### ENVIRONMENTAL CERTIFICATION:

The Proposed Project is subject to the NEPA Categorically Excluded under HUD regulations pursuant to [24 CFR Part 58, Section 58.35(a)]. As the Responsible Entity, NYC HPD, through its Certifying Officer Adolfo Carrión Jr., will certify in its request for the release of funds to HUD that New York City consents to accept the jurisdiction of the federal courts if an action is brought to enforce responsibilities in relation to environmental reviews, decision-making, and action, and that the responsibilities have been satisfied. NYC HPD approval of the certification satisfies its responsibilities under NEPA and related laws and authorities and confirms the site-specific environmental reviews for the Proposed Project have been conducted prior to any obligation of funds.

#### OBJECTIONS TO RELEASE OF FUNDS:

HUD will accept objections to its release of funds and the RE’s certification for a period of fifteen (15) days following the anticipated submission date or its actual receipt of the request (whichever is later) only if objections are on one of the following bases: (a) the certification was not executed by the Certifying Officer of NYC HPD; (b) the RE has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR Part 58; (c) the grant recipient has committed funds or incurred costs not authorized by 24 CFR Part 58 before approval of a release of funds by HUD; or (d) another Federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be emailed to [CPDRROFNYC@hud.gov](mailto:CPDRROFNYC@hud.gov) in accordance with the required procedures (24 CFR Part 58) and shall be addressed to Mr. Luigi D’Ancona, Director, Office of Public Housing. Potential objectors should contact HUD to verify the actual last day of the objection period.
