

CERTIFICATION OF CORRECTION OF LEAD-BASED PAINT HAZARD VIOLATION

Complete ownership statement and sections of form for applicable Order number and sign below.

I, _____ (PRINT NAME), swear or affirm under penalty of perjury as follows.

1. That I am: (check)

- | | |
|---|--|
| <input type="checkbox"/> Currently registered owner of the property | <input type="checkbox"/> Otherwise registered as responsible for the property |
| <input type="checkbox"/> Currently registered officer or director of the Corporation that owns the property | <input type="checkbox"/> Owner or shareholder of record for a condo or cooperative unit that is tenant-occupied. |
| <input type="checkbox"/> Currently registered managing agent of the property | <input type="checkbox"/> Owner of 1-2 family dwelling where I or my immediate family reside. |

2. That I have complied with violation number _____ by conducting the appropriate actions and enclosing documentation as described below.

3. For any work completed, I have included

- An Affidavit from the EPA-certified abatement firm's authorized agent or individual who performed the work stating that the work was performed in accordance with §27-2056.11 of Article 14 of the Housing Maintenance Code and 28 RCNY§11-06; The start and completion date of the work; The address and contact information (phone or fax) for the EPA firm that completed the work.
- A copy of the EPA certification for the abatement firm that performed the work.
- A copy of EPA certifications of the EPA-certified Abatement Workers and Supervisors who performed the work.
- The location of the work performed in each room, including a description of such work and components of parts of the dwelling unit that were replaced OR invoices for payment for such work.
- A copy of the State-certified laboratory analysis of all surface dust samples taken which indicates the method of preparation and analysis of the samples.
- An Affidavit from the individual who took the surface dust samples, verifying the date the samples were taken and indicating the address/dwelling unit where the samples were taken.
- A copy of the EPA certificate of the individual who took surface dust samples. The EPA certificate must be valid for the period when the dust samples were taken.

Options #4 and #5 below cannot be submitted for a window or door friction surface tested positive for lead-based paint by HPD for which an Order #617 violation was issued.

4. For any window or door friction surface where I did not have work completed, I have included the following for XRF testing which indicates there is no lead-based paint as defined by Local Law 1 of 2004 on the tested window and door friction surfaces:

- A copy of the inspection report prepared by an EPA-certified Inspector or Risk Assessor;
- A copy of the EPA certification of the Inspector or Risk Assessor valid for the inspection date; and

- A notarized Affidavit by the Inspector or Risk Assessor who conducted the XRF testing (Affidavit sample enclosed with this Notice of Violation).

5. For any window or door friction surface where I did not have work completed, I have included the following if XRF testing indicated one or more inconclusive results, but paint chip sampling performed on those inconclusive surfaces indicates there is no lead-based paint as defined by Local Law 1 of 2004 on the tested window and door friction surfaces:

- A copy of the inspection report prepared by an EPA-certified Inspector or Risk Assessor;
- A copy of the paint chip sampling report prepared by an EPA-certified Inspector or Risk Assessor;
- A copy of the EPA certification of the Inspector or Risk Assessor valid for the inspection date;
- A notarized Affidavit by the Inspector or Risk Assessor who conducted the XRF testing and paint chip sampling (Affidavit sample enclosed with this Notice of Violation); and
- A copy of the State-certified laboratory analysis of the paint chip sample.
