My signature certifies that I am an authorized representative of the property owner and customer listed on this application. I hereby consent and authorize the release of any and all information, including account number(s), and data related to energy and/or natural resource consumption at the above listed property address to representatives of the New York State Energy Research and Development Authority (NYSERDA) and/or its designated representatives for the period beginning two years prior to the application date and ending ten years after program participation. I understand that this information will be kept confidential, to the extent permitted by law, and used for the purpose of determining program eligibility, estimating energy savings, program implementation, and evaluation, including the evaluation of achieved energy savings.

Signatory agrees and authorizes their utility's sharing of the participant-customer's information and/or project-level information with New York State Department of Public Service Staff and NYSERDA, including its agents or authorized representatives, consistent with NYSERDA's New York State Public Service Commission and statutorily authorized responsibilities, including, but not limited to supporting market development initiatives, and other evaluation and measurement activities. (For clarity, the term project level includes the information based on the scope of the project, including, but not limited to, aggregated and anonymized whole building, building or subsets of the project.)

Signatory agrees and authorizes the sharing of the participant-customer's information and/or project-level information with New York

State Department of Public Service Staff and appropriate local utility, including its agents or authorized representatives, in carrying out its responsibilities under New York State Public Service Commission orders. (For clarity, the term project level includes the information based on the scope of the project, including, but not limited to, whole building, building or subsets of the project.)
