

Electronic Payroll Submission

HPD provides a free and secure application to manage certified payrolls and associated documents. For HPD-assisted development projects, general contractors and subcontractors can upload payroll data directly from a payroll software program or a spreadsheet. Payroll data will be immediately checked against the applicable Davis-Bacon wage determination schedule.

This service greatly reduces the cost, time, and resources needed to comply with Davis-Bacon prevailing wage requirements.

BENEFITS

Reduces the paper, postage, and storage costs

Payrolls immediately checked against applicable Davis-Bacon schedule

Free and time-saving

Efficient alternative to paper

For Registration & Training
