HPD will award approximately 500 to 600 PBV units this year citywide, across all five boroughs of New York City.</b></p>

<p><b>B.3</b></p>	<p><b>Progress Report.</b></p> <p>Provide a description of the PHA's progress in meeting its Mission and Goals described in the PHA 5-Year Plan.</p> <p>HPD has continued to invest in creating and preserving affordable housing, supportive housing, and related services for vulnerable New Yorkers, including preservation of affordable housing through project-based vouchers and conversions of property through the Rental Assistance Demonstration projects. Through the COVID-19 pandemic HPD had invested resources and staff to ensuring remote operations are accessible and allowing rental subsidy administration to continue uninterrupted. As HUD updated its pandemic related waivers, HPD informed its participants of its return to normal operations and continues to offer online and in-person opportunities for participants to engage. This year, HPD also launched a mobility counseling initiative (Neighborhood Choice) to assist Emergency Housing Voucher applicants to move to neighborhoods with low poverty, low crime, and better resourced public schools. HPD is also focused on technology initiatives that will expand opportunities for both participants and owners to use electronic access to comply with program requirements. HPD was awarded vouchers and funding through the HUD Community Choice Mobility Demonstration Notice of Funding Opportunity. HPD was awarded funding to serve 1,950 program participants over six years, this will bring an associated \$4 million. HPD is one of nine project sites selected across the country. This award augments Housing Choice: HPD's mobility counseling program that started as a pilot in 2018 and was expanded through Enterprise funding in 2021. The Community Choice Demonstration allows for a fully implemented mobility counseling program that will last through 2027.</p> <p>HPD launched the Community Choice Demonstration (CCD) in October. CCD will assist 1,950 program participants over six years and HPD has selected approximately 40 households to participate in the Demonstration to date. CCD allows for a fully implemented mobility counseling program that will last through 2027. The program is designed to address the barriers that prevent participants from exercising their choice in accessing units in competitive, amenity rich neighborhoods. Key features of Housing Choice include tenant support, owner support, and exception payment standards through three phases of participation (pre-move, housing search, and post-move). This includes workshops, financial counseling, transportation costs, security deposits, owner bonuses, brokers' fees, moving costs, and case management. Housing Choice uses exception payment standards in ZIP Codes with low rates of crime, low rates of poverty, and/or more well-resourced schools. Many of these program features have been included in the Demonstration.</p> <p>HPD is collaborating with NYCHA, the Continuum of Care and the NYC Department of Social Services and other New York City agencies and partners to administer 7,800 Emergency Housing Vouchers. To date 3,500 households have successfully used their vouchers and all vouchers have been issued by both agencies. HPD is providing housing search assistance through broker's fees, a one-time payment to the owner and housing navigation support through either City agencies or contracted community-based organizations that offer housing navigator support. This year, HPD introduced Unit Hold Fees, increased payment standards from 108% of FMR to 110% of FMR and increased its subsidy standards to enable successful use of EHV.</p>

**D. Affirmatively Furthering Fair Housing.**

**D.1 Affirmatively Furthering Fair Housing.**

The PHA will use the answer blocks in item D.1 to provide a statement of its strategies and actions to implement each fair housing goal outlined in its accepted Assessment of Fair Housing (AFH) consistent with 24 CFR § 5.154(d)(5) that states, in relevant part: "To implement goals and priorities in an AFH, strategies and actions shall be included in program participants' ... PHA Plans (including any plans incorporated therein) ... Strategies and actions must affirmatively further fair housing ..." Use the chart provided to specify each fair housing goal from the PHA's AFH for which the PHA is the responsible program participant – whether the AFH was prepared solely by the PHA, jointly with one or more other PHAs, or in collaboration with a state or local jurisdiction – and specify the fair housing strategies and actions to be implemented by the PHA during the period covered by this PHA Plan. If there are more than three fair housing goals, add answer blocks as necessary.

Until such time as the PHA is required to submit an AFH, the PHA will not have to complete section D., nevertheless, the PHA will address its obligation to affirmatively further fair housing by fulfilling the requirements at 24 CFR 903.7(o)(3) enacted prior to August 17, 2015, which means that it examines its own programs or proposed programs; identifies any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement; and maintain records reflecting these analyses and actions. Furthermore, under Section 5A(d)(15) of the U.S. Housing Act of 1937, as amended, a PHA must submit a civil rights certification with its Annual PHA Plan, which is described at 24 CFR 903.7(o)(1) except for qualified PHAs who submit the Form HUD-50077-CR as a standalone document.
