C: LAND USE CONTROLS

1. LAND USE PLAN

The projected land uses in the Area are set forth in Map 2 ("Land Use Plan").

2. LAND USE PROVISIONS AND BUILDING REQUIREMENTS

Unless expressly stated otherwise, the meaning of the technical terms used in this Plan to establish controls on development (including, but not limited to, permitted uses, limits on building bulk, and required off-street parking and loading) will be as defined in the Comprehensive Amendment to the Zoning Resolution of the City, as published in the City Record on November 10, 1960 and approved by resolution of the City's Board of Estimate on December 15, 1960, as amended ("Zoning Resolution"). Within this Section C, terms so defined are indicated in bold type.

The zoning of the Area will be as set forth in the Zoning Resolution. The proposed amendments to the Zoning Map set forth in Section D.6 will have no force or effect until they are approved pursuant to Sections 200 and 197-c of the City's Charter ("Charter") and become a part of the Zoning Resolution. The predominant zoning of the Area at present is residential (R-6), commercial (C4-4) and manufacturing (M1-1). With respect to any property acquired or to be acquired in accordance with this Plan, in any case in which a specific control of the Plan conflicts with a provision of the Zoning Resolution, the Zoning Resolution will govern until acquisition and the more restrictive of the two will govern after acquisition.

The City may amend this Plan at any time pursuant to Section 505 of the Urban Renewal Law and Section 197-c of the Charter.

2. MINOR CHANGES

Where literal enforcement of the restrictions set forth in this Plan would result in unnecessary hardship, would involve practical difficulties, or would constitute an unreasonable limitation beyond the intent and purpose of this Plan, HPD may authorize such minor changes of the terms of these restrictions as conform with the intent and purpose of this Plan; provided, however, that (i) no variations or modifications will be less restrictive than applicable Federal, State, and City laws, codes, ordinances, and regulations, and (ii) concurrence is obtained from the City Planning Commission ("CPC").

E: REDEVELOPER OBLIGATIONS (Continued)

3. MERGERS AND SUBDIVISIONS

The merger and/or subdivision of any of the development sites in the Area will be permitted where HPD determines in writing that (i) the site plan complies with the intent and provisions of this Plan, and (ii) the unused portion of the development site is marketable and developable in accordance with this Plan and with all applicable laws, codes, ordinances, and regulations. HPD shall demonstrate in a form satisfactory to the Department of City Planning that any merger and/or subdivision of a development site within a block shall be done in a manner which provides that when development of that block is completed, such development shall comply with the Land Use Controls described in Section C of this Plan. The merger and/or subdivision of a development site will not require review or approval by CPC, but the Urban Renewal Plan, as modified to indicate such mergers and/or subdivisions will be filed with the Department of City Planning for information purposes.

G: DURATION OF PLAN

This Plan will remain in effect for a period of forty (40) years from the date of the original approval of this Plan, except as provided in Section E.
