***Please be advised, the Eligibility Information Services (EIS) Medicaid Eligibility Presentations dates are **tentative**. The dates are subject to change. We will begin the year with virtual presentations once more; we will advise via MARC once the classes will be in person. Accordingly, please wait for monthly announcements through **MARC** for confirmed presentation dates, Zoom registration instructions, and a presentation description to help you determine if it is appropriate for you to register for the class. **To attend the Advanced DAB, DAB Review, Excess Income, Medicare Savings Program (MSP) sessions, you must have taken the Disabled Aged and Blind (DAB) class.** You must have secured an approval from the Medical Assistance Program (MAP) before attending a Protocol submission class. ***. **Hospital presentation and Nursing home presentation** are tailored for staff that works within those facilities, or authorized submitters for those type of cases.
