INTRODUCTION

The District Resource Statement (DRS) is prepared annually by the Office of Management and Budget. Sections 2707 and 2708 of the New York City Charter require that agencies report to the City's 59 community boards expense budget and service information at the agency's service district level. The reporting levels vary by agency and by program. Service districts range from police precincts which can be smaller than community districts to multi-borough offices.

This edition of the DRS gives information for both FY 2017 and FY 2018. The current edition reports on agencies that deliver services directly to community districts and boroughs. These agencies manually generate the information in the DRS, except for the fiscal data which is provided by the Financial Information Services Agency. The agencies also provide performance indicators for a variety of services. An explanation of agency programs and performance indicators is included.

Personnel headcounts and corresponding fiscal data, equipment information, performance indicators, and contractual services are organized as follows:

- **Personnel Report** - FY 2017 headcounts and fiscal data are as of June 30, 2017. FY 2018 Adopted Budget data is as of the Budget Adoption in June.
- **Equipment Report** - Unless otherwise noted, FY 2017 information is as of June 30, 2017. FY 2018 information indicates proposed equipment levels.
- **Performance Report** - Once again, community boards will be able to compare select measures of agency

performance within their district to a borough-wide and/or citywide average of the agency's performance. Except where indicated, the performance figures are full year figures for FY 2017. Section 12(c)6 of the New York City Charter states that "for agencies with local service districts or programs within community districts and boroughs, the mayor's preliminary management report and management report insofar as practicable shall include schedules of agency service goals, performance measures and actual performance relative to goals for each such local service district or program." Indicator information in the DRS supplements the Mayor's Management Report by providing measures of performance at the local level. Totals for all the districts reporting in the DRS will be consistent with the citywide numbers reported in the MMR except where otherwise noted.

- **Contract Report** - Data on contractual services varies somewhat from program to program, but includes at least the time period of the contract, the cost of the contract, the kind of service provided and some measure of the service.

For each agency program, all pages for a particular local service district are grouped together in the following order: Personnel, Equipment, Performance, and Contract Reports. The Personnel Reports give a complete description of the service and the address of the local service district headquarters. The contract pages provide the names and addresses of vendors, and sometimes the location where the service is provided.

The District Resource Statement is useful to the community boards at all stages of the budget participation process. Community boards can use the DRS to monitor service delivery throughout the year. It provides a common data base which the agencies and community boards can use to discuss service delivery and to formulate specific budget requests. The Performance Reports can help the boards assess the quality of the service in relation to the resources which are deployed in or budgeted for the community district. By comparing this year's DRS with previous editions, community boards can also use the DRS to analyze trends in funding levels, resource allocation, and service delivery. Using the Mayor's Management Report, boards are able to compare service performance indicators in their district with citywide findings.

Caution must be used in interpreting the information contained in this document. Agencies often need to move personnel or equipment from one district to another or employ seasonal workers depending on the time of the year. These changes are not reflected in the DRS. A reduction in staffing levels does not necessarily signal a corresponding reduction in services. Where necessary agencies provide explanatory footnotes. Also, Financial Plan Savings are not reflected in the local district reports because these amounts are budgeted at the Unit of Appropriation level. It is not possible to predict the impact of financial savings on an individual service district level.

OMB publishes District Resource Statements for the following agencies:

- Department for the Aging
- Department of Buildings
- Department of Cultural Affairs
- Department of Small Business Services
- Department of Environmental Protection
- Fire Department
- Department of Health & Mental Hygiene
- Department of Housing Preservation & Development

HUMAN RESOURCES ADMINISTRATION

AGENCY MISSION

Meeting Clients Where They Are

The Human Resources Administration/Department of Social Services (HRA/DSS) enhances the quality of life for all New Yorkers by providing temporary help to eligible individuals and families with social service and economic needs in order to assist them in leading independent lives. These goals are accomplished through the effective administration of a broad range of social welfare programs and services.

HRA/DSS provides economic support and serves families and individuals through the administration of major benefit programs including Cash Assistance, Supplemental Nutritional Assistance Program benefits (food stamps), Medicaid, and Child Support Services. HRA also provides homelessness prevention, educational, vocational and employment services, assistance for persons with disabilities, services for immigrants, civil legal aid and disaster relief. For the most vulnerable, it provides HIV/AIDS Services, Adult Protective Services, Home Care and programs for survivors of domestic violence.

FOCUS ON EQUITY

HRA promotes equity for New Yorkers through its commitment to services that fight poverty and income inequality, prevent homelessness and promote employment. HRA increases economic security by facilitating access to benefits, to employment and educational programs. New initiatives include a redesigned employment model for clients, emphasizing individualized assessment, training and education, including access to four-year college and sustainable jobs; the elimination of processes that lead to unnecessary case sanctions for clients willing to comply with work rules; and Benefits Re-engineering, which uses technology to streamline Supplemental Nutritional Assistance Program (SNAP) and cash assistance (CA) eligibility processes. HRA has enhanced programs to prevent homelessness, including expansion of anti-eviction, anti-harassment and civil legal services contracts; expedited access to rental arrears benefits; and created new rental assistance programs for homeless families and adults in partnership with the Department of Homeless Services (DHS). In conjunction with the Mayor's Office of Immigrant Affairs, HRA administers the New York City Municipal Identification program (IDNYC).

The Human Resources Administration Program Areas

Adult Protective Services (APS)

Adult Protective Services (APS) provides eligibility assessments and case management services to approximately 6,000 vulnerable adults. APS is a state-mandated program that is available to persons 18 years and older, without regard to income, who are mentally and/or physically impaired and, due to their impairments, are unable to manage their own resources, carry out the activities of daily living or protect themselves from verbal, physical or sexual abuse, neglect and exploitation or other hazardous situations without assistance from others and have no one available who is willing and able to assist them responsibly. APS clients are often at risk of eviction or have difficulty meeting their needs for food, clothing or healthcare. APS seeks to promptly resolve the risks faced by their clients by obtaining benefits or arranging for services that will enable these individuals to remain safely in the community. APS works collaboratively with various community organizations and other government agencies to arrange for the provision of services and benefits to their clients.

Customized Assistance Services (CAS)

Customized Assistance Services (CAS) helps Human Resources Administration (HRA) clients with health, mental health, and/or substance use issues reach the highest attainable level of functioning and self-sufficiency by providing comprehensive, integrated, individualized clinical and support services.

CAS works with other components of HRA and with other governmental and non-governmental service providers to create new programs and to integrate and refine existing services so the people it serves can achieve their maximum functional capacity.

CAS provides clinical expertise, recommendations, and direction to HRA in the fields of health, mental health, substance use and vocational rehabilitation. CAS staff provide psychiatric evaluation and crisis intervention services, supportive housing eligibility services and assistance in obtaining federal disability benefits. CAS manages contracts that serve individuals and families with medical, mental health, and/or substance use disorders. CAS programs provide clinically focused case management and utilize sophisticated clinical tracking and reporting systems.

Emergency and Intervention Services (EIS)

Emergency and Intervention Services (EIS) provides a variety of comprehensive emergency social services to vulnerable populations. These services address immediate and long-term needs of individuals and families, and are administered through a matrix of programs that include the following: the Office of Domestic Violence (ODV), Emergency Food and Nutrition Assistance Services, the Home Energy Assistance Program (HEAP), and Emergency Utility Intervention

Programs (EUIP).

Office of Domestic Violence (ODV) provides oversight for the largest domestic shelter system in the country which provides safety and services for this vulnerable population. This network of more than 53 emergency domestic violence shelters provide temporary emergency housing, and supportive services to more than 17,500 survivors of domestic violence and their children annually. ODV provides oversight and funding for the 24-hour domestic violence hotline. ODV also administers the No Violence Again (NOVA) program located at the DHS intake center, and the Domestic Violence Liaison Unit, which provides domestic violence counseling and intervention at Job Centers. ODV partners with a network of 9 community-based organizations that provide counseling, legal services, financial development services, and job readiness for domestic violence survivors. In addition, ODV leads a nationally recognized domestic violence primary prevention effort, the Teen Relationship Abuse Prevention Program (RAPP). Teen RAPP is located in more than 90 high schools and middle schools citywide.

The ***Emergency Food and Nutrition Assistance Program*** administers the Emergency Food Assistance Program (EFAP), which provides administrative funding, food (non-perishable and frozen), and technical assistance to over 520 community kitchens and food pantries citywide. EFAP on average distributes over 12 million pounds of food annually. EFAP serves on average 200,000 meals in community kitchens each month and approximately 1 million people in food pantries each month.

Home Energy Assistance Program (HEAP) is a federally funded program that assists low-income, elderly and vulnerable eligible households with grants to pay for their heating costs. The program provides regular and emergency grants during the heating season to defray energy costs and ensure continued service during the winter months. HEAP provides more than \$39 million in grants each year.

Emergency Utility Intervention Programs (EUIP) administers a group of programs that assist vulnerable elderly and low-income residents maintain utility service during the heating season. These programs provide emergency grants and negotiate with the utility companies to ensure that services to this vulnerable, elderly and low income population are not interrupted during the heating season.

The Family Independence Administration (FIA)

The Family Independence Administration (FIA) operates HRA's Job Centers and Supplemental Nutrition Assistance Program (SNAP) Centers, administering temporary cash assistance, SNAP benefits, employment services, and medical assistance for those receiving cash assistance. FIA works to help clients reach their maximum level of self-sufficiency and overcome any barriers to employment.

Home Care Services Program (HCSP)

Home Care Services Program (HCSP) is responsible for Medicaid-funded community based Long-Term Care (LTC) programs in New York City. Programs include the Personal Care Services Program for consumers not eligible for managed care. Case management services assists clients with home care and Medicaid renewals and assistance with any situation that may place the client at risk (eviction, no heat, other environmental problems, need for Adult Protective Services interventions, etc.) or interfere with the safe delivery of services.

The HCSP Medicaid Eligibility Unit (MEU) processes Medicaid applications and renewals for HRA Medicaid Home Care and Managed Long Term Care Home Care recipients. The Medicaid approvals provide access to all Medicaid cover medical services and home care. MEU processes over 150,000 home care Medicaid applications and renewals annually.

HIV/AIDS Services Administration (HASA)

The HIV/AIDS Services Administration (HASA) is the most comprehensive program of its kind in the country, helping New Yorkers living with HIV or AIDS live healthier and more independent lives. We assist with an individualized service plan that targets the support and necessary benefits that are specific to a client's medical situation, and that will enhance his or her well-being.

HASA provides intensive case management, rental assistance, emergency and non-emergency housing, and assistance with applying for public benefits and services including Medicaid, food stamps and cash assistance. HASA also provides vocational services that prepare clients for work. With counselors to help identify barriers to employment, clients can select vocational goals and receive support.

Other HASA services include: home care and homemaking services, mental health and substance abuse screening and treatment referrals, transportation assistance, referrals to community-based organizations, and SSI or SSD application and appeal.

Homelessness Prevention Administration (HPA)

The Homelessness Prevention Administration (HPA) works with the Department of Homeless Services (DHS), the Department of Housing Preservation and Development (HPD), the NYC Housing Authority (NYCHA), community-based organizations, and other City agencies to prevent homelessness and assist families and individuals in need in maintaining stable, affordable housing in their communities.

Homelessness Prevention Administration includes the Housing and Homeless Services/Initiatives Division, the Rental Assistance Program, the Legal Services Initiatives unit, and Early Intervention and Outreach Services, all of which are vital partners in assisting New Yorkers in need.

IDNYC

IDNYC is the free municipal identification card for New York City residents ages 14 and older, which secures the peace of mind and access to City services that come from having recognized identification. While IDNYC benefits all New Yorkers, it is especially helpful to those who are the most vulnerable, and who may have difficulty obtaining government-issued ID.

In addition to facilitating New Yorkers' access to City buildings, services and programs, IDNYC enhances public safety by serving as a recognized ID for interacting with the NYPD. Cardholders are also able to enjoy the best of their city's entertainment and cultural offerings, including free one-year memberships at 40 of the City's leading museums, zoos, concert halls, and botanical gardens; and discounts on tickets to entertainment and sporting events.

Medical Assistance Program (MAP)

The Medical Assistance Program (MAP) administers Medicaid and related public health insurance eligibility for the City of New York, providing eligible families and individuals with access to doctors, medication and other health care services.

Office of Civil Justice (OCJ)

The Office of Civil Justice (OCJ) was created at HRA in 2015 with the mission to coordinate, evaluate and improve civil legal services for low-income New Yorkers. New York City has made an extraordinary investment in legal services to level the playing field for New Yorkers in need who face potentially life-changing legal challenges, making it a national leader in providing this assistance for low-income families and individuals.

Free Legal Representation for Tenants Facing Eviction - OCJ funds Anti-Eviction Legal Services in the housing courts and in community offices across the City. We provide comprehensive, flexible, and individualized legal and related services to help low-income households avoid eviction and homelessness.

Services may include:

- Representation in housing court
- Negotiations with landlords and/or other advocacy assistance
- Inquiries into whether a tenant's rent level is correct, whether there are conditions that require repair and whether these constitute defenses to a proceeding
- Preparation and filing of required agency and court papers

Free Legal Representation for Tenants Facing Landlord Harassment - OCJ funds Anti-Harassment Legal Services to work in select neighborhoods across the City with tenants, buildings, and tenant associations to help preserve their housing, protect against harassment or misconduct by unscrupulous landlords, and give representation and legal advice in evictions and other cases.

Free Legal Representation for Immigration Legal Issues - OCJ and the Mayor's Office of Immigrant Affairs (MOIA) support a variety of legal services programs for low-income immigrant New Yorkers in need of legal advice or representation in immigration matters.

Office of Community Engagement and Access (OCEA)

The Office of Community Engagement and Access (OCEA) oversees the Office of Constituent Services (OCS) which includes the Office of Constituent Communications and Infoline, and the Office of Client Advocacy, which includes the Office of Community Affairs (OCA), Office of Refugee and Immigrant Affairs (ORIA), the Office of LGBTQI Affairs, and the Office of ADA Affairs. OCEA communicates with constituents through more than two (2) million phone calls and 6500 letters/emails, meets with 59 community boards citywide, liaises with over 100 non-profit organizations and works collaboratively with HRA program areas to remove potential barriers to services for 1 million limited English proficient (LEP) clients.

In addition, OCEA is the liaison to the Mayor's Office of Operations Customer Service Group and is responsible for updating statistical information for HRA related to 20 different customer service indicators intended to improve Agency customer relations Citywide. The Customers Observing and Researching Experience (CORE) program is also included under this umbrella during which "secret shoppers" visit the public walk in centers of all City agencies and rate each facility. An overall CORE score is then included in the Mayor's Management Report (MMR) each year.

Office of Refugee and Immigrant Affairs (ORIA) goal is to ensure that New York City's Limited English Proficient (LEP) and immigrant residents have equal access to HRA's benefits and services, in accordance with Federal, State and local laws. ORIA monitors HRA's LEP client contact points; centralizes management of translation and interpretation contracts; assists program areas in drafting and implementing policies regarding service to LEP clients; contracts for testing of prospective bilingual workers; develops and provides training to Agency staff on utilizing interpretation services, compliance with NYC Local Law 73 and Executive Order 120; and provides guidance to program areas on immigrant eligibility for public benefits.

Disability Affairs seeks to promote awareness, advocacy, and access to HRA benefits and services for New Yorkers with disabilities and is responsible for reviewing agency-wide disability policies, making recommendations for improvements, and supporting implementation of these improvements. Disability Affairs supports and ensures agency compliance with legal mandates like the Americans with Disabilities Act (ADA); develops and implements staff training on the ADA, the Reasonable Accommodation Process, and disability etiquette; reviews and implements updated policies on best practices for serving people with disabilities; oversees a Disability Advisory Panel composed of advocates and client representatives; and serves as a resource for HRA staff and program areas, as well as advocates and community partners.

LGBTQI Affairs works to promote awareness, advocacy, and access to HRA benefits and services to New Yorkers who are members of LGBTQI communities. LGBTQI Affairs coordinates a large work group of community organizations and partners who serve the LGBTQI community; develops and implements staff training to ensure baseline awareness and job-specific competencies for staff in each program area; conducts comprehensive assessments of client needs to inform policy recommendations; reviews and revises agency-wide policies to ensure that they reflect best practices for serving members of LGBTQI communities; tracks and responds to LGBTQI-related inquiries from clients and advocates; and serves as a resource for HRA staff and program areas, as well as advocates and community partners.

Office of Community Affairs (OCA) acts as liaison between HRA and elected officials, community-based organizations and 59 Community Boards citywide by providing them with information on HRA's programs. OCA is responsible for coordinating HRA's role in the City's Budget Consultation process in which the City's 59 Community Boards meet with all City agencies to provide community feedback on City projects. OCA coordinates HRA's participation in regular Mayoral Civic Meetings held in different neighborhoods across the City every year. Four Borough Coordinators attend regular Community Board meetings weekly covering all 59 Community Boards as well as deliver presentations about HRA to community-based organizations.

Office of Citywide Health Insurance Access (OCHIA)

HRA's Office of Citywide Health Insurance Access (OCHIA) works to expand access to health insurance for all New Yorkers through an array of programs and initiatives, and in collaboration with a broad network of partners. OCHIA also conducts policy research and analysis to inform its efforts and help improve access to coverage for all New Yorkers.

Office of Child Support (OCS)

The Office of Child Support (OCS) works with NYC families to ensure that children receive financial support from both parents. OCS helps locate noncustodial parents, establishes paternity, provides summons service, helps establish court-ordered child support and medical support orders, and collects and enforces those child support orders. All custodial parents, guardians, and caretakers are eligible for child support services regardless of their income or immigration status.

OCS also works with noncustodial parents (NCPs) to make their orders reflect their income and educate them on the rules governing child support.

EXPLANATION OF INDICATORS

CENSUS DATA

The source for the 2010 Census demographic and socioeconomic data is from New York City's Department of City Planning.

PROGRAM DATA

Included for New York City, each borough and each community district is the data relating to Cash Assistance, SNAP benefits, Medicaid, and SSI programs as of October 2017.

DIRECT SERVICE OFFICES

The direct service offices operated by HRA program areas are broken down by borough and community district. Identified is the community district of their location although many of the direct service offices serve multiple community districts and/or multiple boroughs.

CONTRACT SERVICES - Planned for fiscal year 2018 (As of October 2017)

The DRS includes a list of human service contracts based on the Contractor's address. Information for these contracts includes type of service, contractual dates, contractor's name and address and contract amount. Contract addresses may not represent the areas served by the contract since the address may only be an administrative address and many contracts serve multiple community districts, as well as multiple boroughs.
