# HUMAN RESOURCES ADMINISTRATION

The Department of Social Services / Human Resources Administration (“DSS” or “HRA”) provides a range of services and programs to fight poverty, inequality and homelessness and to increase the economic well-being of families and individuals.

The Human Resources Administration administers benefit programs including Cash Assistance (CA), Emergency Assistance, Supplemental Nutrition Assistance (SNAP), and Medical Assistance to support low income New Yorkers. The Agency provides child support services, and assists individuals returning to or entering the workforce by providing a variety of employment-related services, including access to education and job training, and assistance with job search and placement. HRA also provides services and support to prevent and alleviate homelessness, including one-time emergency rent arrears grants, ongoing rental assistance and supportive housing, as well as community-based prevention services and legal services to prevent displacement and eviction, obtain federal disability benefits and address immigration-related issues. Programs for survivors of domestic violence, people with HIV or AIDS, the frail and elderly, and individuals with disabilities provide a safety net for those permanently or temporarily unable to work.

## ***Family Independence Administration (FIA)***

The Family Independence Administration (FIA) administers Cash Assistance (CA) and the Supplemental Nutrition Assistance Program (SNAP). FIA assists individuals to obtain employment, provides access to education and training and provides support services including childcare and carfare for working families; and one-time grants for emergencies, including rent and utility arrears, security deposits, broker fees, storage fees, furniture allowances, and moving expenses.

## ***Homelessness Prevention and Rehousing Services***

The Homeless Prevention Administration (HPA) administers and coordinates homelessness prevention, housing placement and rental assistance initiatives for HRA and DHS. HPA works to prevent the entry of families and individuals into shelter through the provision of diversion services, including short-term financial supports, across the City. In addition, HPA conducts targeted outreach to families and individuals identified by the Housing Court as potentially needing legal assistance or emergency rental assistance.

## ***Office of Child Support Services (OCSS)***

The Office of Child Support Services (OCSS) puts children first by helping both parents provide for the economic and social well-being of their children. OCSS provides a range of services including locating noncustodial parents, establishing paternity, establishing and modifying child support and medical orders, and collecting and distributing child support payments. Custodial parents receiving Cash Assistance are required to comply with OCSS pursuant to federal and New York State statutes. All other custodial parents may apply for OCSS services on a voluntary basis.

### ***Medical Assistance Program (MAP)***

The Medicaid public health insurance program provides access to a wide range of services including primary care, hospital inpatient, emergency room, physician, pharmacy, clinic, nursing home, personal care, dental, rehabilitation, transportation, vision care, laboratory services and x-rays. With the development of the Exchange under the Affordable Care Act (ACA), most non-CA and non-SSI Medicaid eligible New Yorkers apply through the Exchange, resulting in a decline in the HRA-administered Medicaid caseload of 47 percent since December 2013. HRA's role in administering the program is determining financial eligibility in accordance with federal and State standards and rules. HRA also provides Certified Application Counselor (CAC) services in HRA locations to assist individuals with applications for Medicaid facilitated through the Health Exchange.

### ***Home Care Services Program (HCSP)***

The Department's Home Care Services Program (HCSP) assists individuals who are frail, elderly, and/or have disabilities to remain safely in their homes with non-institutional alternatives to nursing home care.

HCSP reviews and authorizes service plans for participants in the Long Term Home Health Care Program (LTHHCP), as well as for children in the Care-at-Home Waiver Program and eligibility is determined in accordance with federal and State standards and rules. HCSP personal care services are also provided to participants in special federal waiver programs, including Traumatic Brain Injury, Home and Community-Based Services, and the Nursing Home Transition and Diversion waivers and Office of Mental Retardation and Developmental Delays (OMRDD) participants. The State determines the services provided for individuals in the Managed Long-Term Care program.

### ***Customized Assistance Services (CAS)***

Customized Assistance Services (CAS) provides clinically-oriented services in the areas of health, mental health, substance use treatment and rehabilitation for clients served by the Department's programs. CAS programs provide comprehensive and individualized services to help individuals with medical or mental health conditions achieve their maximum degree of self-reliance.

### ***HIV/AIDS Services Administration (HASA)***

The HIV/AIDS Services Administration (HASA) provides comprehensive services to individuals and families with HIV and AIDS. HASA clients receive case management, assessments and referrals, housing and homemaking services. HASA households receive ongoing rental assistance to facilitate and maintain housing stability, typically in private market apartments. HASA also provides emergency housing placements in supportive transitional facilities and single room occupancy (SRO) units for homeless clients. Non-emergency supportive housing is provided in congregate facilities and scattered site apartments. These programs are operated by community-based organizations that provide case management and support services.

### ***Adult Protective Services (APS)***

The Department's Adult Protective Services (APS) program assists adults with mental and/or physical disabilities who are unable to care for or protect themselves from abuse, neglect, or exploitation, and who have no one willing and able to responsibly assist them. Services include referrals for psychiatric and medical examinations, assistance in obtaining and recertifying for benefits and entitlements, eviction prevention and financial management. APS also petitions the State Supreme Court for community guardians to manage financial and domestic issues for clients who lack capacity to manage their own affairs.

### ***Office of Domestic Violence (ODV)***

The Office of Domestic Violence Services (ODV) provides emergency shelter and social services to survivors of domestic violence. ODV administers State-licensed emergency domestic violence shelters, as well as transitional Tier II shelters. Shelters provide safe environments and a range of additional domestic violence support services including counseling, advocacy and referrals. In addition, nine community based non-residential programs provide information, counseling, advocacy, legal services, and referrals to other supportive services to help domestic violence survivors navigate the challenges of living in their own communities. The Teen Relationship Abuse Prevention Program (RAPP) provides classes and counseling to teenagers in 78 public schools across the City to help stop relationship violence before it occurs.

### ***Home Energy Assistance Program (HEAP) and Other Utility Assistance Programs***

The Home Energy Assistance Program (HEAP) is a federally funded program that assists low-income homeowners and renters to pay energy costs and heating equipment repair bills. HEAP serves over 700,000 households annually during the heating season, which runs from November to March of each year. Most benefits are provided to CA, SNAP, and SSI recipients who receive automatic payments. HEAP provides emergency benefits for assistance with gas and other utility bills and shut-offs, helps obtain service extensions, and pays for emergency oil deliveries and furnace repairs and replacements to other income eligible households through an application process. Additional programs include Heat-Line, which offers HEAP applications and other public benefits to the homebound population; the Utility Assistance Program, which offers similar benefits to those identified as eligible through the utility companies, and the Department of Environmental Conservation's Safety Net program which assists low-income home owners with their water bills.

### ***Emergency Food and Nutrition Assistance Program***

The Emergency Food and Nutrition Assistance Program (EFNAP) administers the Emergency Food Assistance Program (EFAP) which provides food, funding and technical assistance to approximately 560 food pantries and soup kitchens. EFNAP also provides SNAP materials, education, trainings, pre-screenings and application assistance to the general public, other government agencies and community-based organizations throughout the five boroughs of New York City.

## ***IDNYC***

IDNYC is the free identification card for New York City residents ages 10 and older. As a government-issued photo identification card, IDNYC secures the peace of mind and access to City services that come from having recognized identification. IDNYC benefits every city resident, including the most vulnerable communities; homeless New Yorkers, youth, the elderly, undocumented immigrants, formerly incarcerated persons and others who may have difficulty obtaining other government-issued ID.

## **EXPLANATION OF INDICATORS**

### **CENSUS DATA**

The source for the 2010 Census demographic and socioeconomic data is from New York City's Department of City Planning.

### **PROGRAM DATA**

Included for New York City, each borough and each community district is the data relating to Cash Assistance, SNAP benefits, Medicaid, and SSI programs as of October 2018.

### **DIRECT SERVICE OFFICES**

The direct service offices operated by HRA program areas are broken down by borough and community district. Identified is the community district of their location although many of the direct service offices serve multiple community districts and/or multiple boroughs.

### **CONTRACT SERVICES** - Planned for fiscal year 2019 (As of October 2018)

The DRS includes a list of human service contracts based on the Contractor's address. Information for these contracts includes type of service, contractual dates, contractor's name and address and contract amount. Contract addresses may not represent the areas served by the contract since the address may only be an administrative address and many contracts serve multiple community districts, as well as multiple boroughs.
