District Resource Statement

Human Resources Administration

Fiscal and Service Reports
For Fiscal Years 2022 and 2023

The City of New York
Eric Adams, Mayor

INTRODUCTION

The District Resource Statement (DRS) is prepared annually by the Agency named in the Document and distributed by the Office of Management and Budget. Sections 2707 and 2708 of the New York City Charter require that agencies report to the City's 59 community boards expense budget and service information at the agency's service district level. The reporting levels vary by agency and by program. Service districts range from police precincts which can be smaller than community districts to multi-borough offices.

This edition of the DRS gives information for both FY 2022 and FY 2023. The current edition reports on agencies that deliver services directly to community districts and boroughs. These agencies manually generate the information in the DRS, except for the fiscal data which is provided by the Financial Information Services Agency. The agencies also provide performance indicators for a variety of services. An explanation of agency programs and performance indicators is included.

Personnel headcounts and corresponding fiscal data, equipment information, performance indicators, and contractual services are organized as follows:

- **Personnel Report** - FY 2022 headcounts and fiscal data are as of June 30, 2022. FY 2023 Adopted Budget data is as of the Budget Adoption in June.
- **Equipment Report** - Unless otherwise noted, FY 2022 information is as of June 30, 2022. FY 2023 information indicates proposed equipment levels.
- **Performance Report** - Once again, community boards will be able to compare select measures of agency

performance within their district to a borough-wide and/or citywide average of the agency's performance. Except where indicated, the performance figures are full year figures for FY 2022. Section 12(c)6 of the New York City Charter states that "for agencies with local service districts or programs within community districts and boroughs, the mayor's preliminary management report and management report insofar as practicable shall include schedules of agency service goals, performance measures and actual performance relative to goals for each such local service district or program." Indicator information in the DRS supplements the Mayor's Management Report by providing measures of performance at the local level. Totals for all the districts reporting in the DRS will be consistent with the citywide numbers reported in the MMR except where otherwise noted.

- **Contract Report** - Data on contractual services varies somewhat from program to program, but includes at least the time period of the contract, the cost of the contract, the kind of service provided and some measure of the service.

For each agency program, all pages for a particular local service district are grouped together in the following order: Personnel, Equipment, Performance, and Contract Reports. The Personnel Reports give a complete description of the service and the address of the local service district headquarters. The contract pages provide the names and addresses of vendors, and sometimes the location where the service is provided.

The District Resource Statement is useful to the community boards at all stages of the budget participation process. Community boards can use the DRS to monitor service delivery throughout the year. It provides a common data base which the agencies and community boards can use to discuss service delivery and to formulate specific budget requests. The Performance Reports can help the boards assess the quality of the service in relation to the resources which are deployed in or budgeted for the community district. By comparing this year's DRS with previous editions, community boards can also use the DRS to analyze trends in funding levels, resource allocation, and service delivery. Using the Mayor's Management Report, boards are able to compare service performance indicators in their district with citywide findings.

Caution must be used in interpreting the information contained in this document. Agencies often need to move personnel or equipment from one district to another or employ seasonal workers depending on the time of the year. These changes are not reflected in the DRS. A reduction in staffing levels does not necessarily signal a corresponding reduction in services. Where necessary agencies provide explanatory footnotes. Also, Financial Plan Savings are not reflected in the local district reports because these amounts are budgeted at the Unit of

Appropriation level. It is not possible to predict the impact of financial savings on an individual service district level.

OMB publishes District Resource Statements for the following agencies:

- Department for the Aging
- Department of Buildings
- Department of Cultural Affairs
- Department of Small Business Services
- Department of Environmental Protection
- Fire Department
- Department of Health & Mental Hygiene
- Department of Housing Preservation & Development
- Human Resources Administration
- Libraries
- Department of Parks and Recreation
- Police Department
- Department of Sanitation
- Department of Transportation
- Department of Youth and Community Development

DISTRICT RESOURCE STATEMENT

Fiscal Year 2023

Human Resources Administration

Department of
Social Services

Gary P. Jenkins, Commissioner

The District Resource Statement is developed in support of the city charter requirements regarding the dissemination of geographic, fiscal, and service information to the community boards and public officials as coordinated by the New York City Office of Management and Budget.

HUMAN RESOURCES ADMINISTRATION

The Department of Social Services / Human Resources Administration (DSS/HRA) provides a range of services and programs to fight poverty, inequality, and homelessness and to increase the economic well-being of families and individuals.

DSS/HRA administers major benefit programs that provide economic support to New Yorkers in need, including Cash Assistance, Medicaid and Supplemental Nutrition Assistance Program (SNAP) benefits; and works to prevent and ameliorate homelessness by providing rental assistance, rehousing programs, legal services, and other programs for those facing housing instability. HRA promotes opportunity through employment programs; emergency food distribution; provision of discounted transit benefits; and administration of the IDNYC municipal identification program. The Agency provides essential resources to vulnerable New Yorkers, including persons with disabilities, immigrants, survivors of domestic violence, New Yorkers living with HIV/AIDS, and seniors. In this role connecting millions of families and individuals with vital lifelines, HRA is at the forefront of addressing poverty and economic inequality.

Adult Protective Services

The Department's Adult Protective Services (APS) program assists adults with mental and/or physical disabilities who have no one to assist them responsibly and, due to the impairment, are unable to manage their own resources, care for themselves, or protect themselves from abuse, neglect, and exploitation. APS seeks to promptly resolve the risks faced by eligible clients by arranging for services and supports that enable independent and safe living both within the home and the community. Services include referrals for psychiatric and medical examinations, assistance in obtaining and recertifying for benefits and entitlements, and eviction prevention and financial management. APS also petitions the State Supreme Court for community guardians to manage financial and domestic issues for clients who lack capacity to manage their own affairs.

Burial Services

HRA's Office of Burial Services (OBS) provides information, support, and financial assistance for eligible next of kin, legally responsible relatives, friends or other designated entities of deceased indigent or unclaimed persons. Assistance for the cost of funerals for low-income New Yorkers is provided to reimburse expenses that have already been paid and to funeral homes for costs that have been pre-approved.

Career Services

HRA's Career Services offers Cash Assistance clients opportunities to help them increase their job skills and build a career that will lead to success and financial security. HRA's Career Services works closely with clients to find work, education, or training opportunities that match their skills, needs, and career goals, and help them work toward opportunities to grow and build a successful career. Based on their situation, clients work with service providers in three programs, provided by Career Services providers.

Child Support Services

The Office of Child Support Services (OCSS) puts children first by helping parents and guardians provide for the economic and social well-being of their children, regardless of income or immigration status. OCSS provides a range of services including locating noncustodial parents; establishing paternity; establishing and modifying child support and medical orders; collecting and distributing child support payments; and helping noncustodial parents align orders to their current income, reduce debt and, when needed, connect them to employment. Custodial parents receiving Cash Assistance are required to comply with OCSS pursuant to federal and New York State statutes. All other custodial parents may apply for OCSS services on a voluntary basis.

Civil Justice

The Office of Civil Justice (OCJ) oversees the City's civil legal services programs, which provide free quality legal assistance to thousands of low-income New Yorkers facing eviction, displacement, harassment or mistreatment by unscrupulous landlords and a range of other civil legal needs. Referrals to nonprofit legal services organizations under contract with OCJ serve a critical homelessness prevention need for families and individuals at risk of eviction who require legal assistance in dealing with their housing crisis. The centerpiece of OCJ's tenant legal services programming is Universal Access to Legal Services. The Universal Access law enacted in 2017 made New York City the first city in the country to ensure that anyone facing eviction in court will have access to legal help. OCJ provides tenants across New York City who are facing eviction in Housing Court and NYCHA tenancy termination proceedings with access to free legal services. OCJ also manages the Anti-Harassment Tenant Protection program, which protects tenants from displacement and harassment by unscrupulous landlords. Through the Anti-Harassment Tenant Protection Program, the City provides access to legal assistance for community residents identified as victims of tenant harassment in order to prevent displacement, keep families and individuals in their homes and maintain affordable housing.

Community Food Connection

The Community Food Connection (CFC), formerly Emergency Food Assistance Program (EFAP), provides supplemental food and funding to approximately 649 emergency food programs throughout the five boroughs of New York City. The new model of emergency food distribution provides a variety of fresh produce, shelf-stable, and frozen foods, as well as increased flexibility with respect to food deliveries.

Customized Assistance Services

Customized Assistance Services (CAS) provides comprehensive assessment, referral, advocacy, rehabilitation services and case management to individuals and families with health, mental health and/or substance use disorders. CAS staff provide psychiatric evaluation and crisis intervention services, housing eligibility services and assistance in obtaining federal disability benefits, and CAS manages New York City CAPS (Coordinated Assessment and Placement System), which streamlines the eligibility and placement process for supportive housing in New York City.

Fair Fares NYC

The Fair Fares NYC (FFNYC) program is designed to help New Yorkers with low incomes manage their transportation costs by providing eligible New York City residents with a 50% discount on subway, eligible bus, and Access-A-Ride fares. Fair Fares NYC applications are open to New Yorkers, age 18-64, with incomes at or below the Federal Poverty Level (FPL).

Family Independence Administration

The Family Independence Administration (FIA) administers Cash Assistance (CA) and the Supplemental Nutrition Assistance Program (SNAP). CA provides support services including childcare and carfare for working families; and one-time grants for emergencies, including rent and utility arrears, security deposits, broker fees, storage fees, furniture allowances, and moving expenses. SNAP provides support to low-income New Yorkers to help them purchase food.

FIA also administers the Home Energy Assistance Program (HEAP), a federally funded program that assists low-income homeowners and renters to pay energy costs and heating equipment repair bills. Most benefits are provided to CA, SNAP, and SSI recipients who receive automatic payments. HEAP provides emergency benefits for assistance with gas and other utility bills and shut-offs, helps obtain service extensions, and pays for emergency oil deliveries and furnace repairs and replacements to other income eligible households through an application process.

HIV/AIDS Services Administration

The HIV/AIDS Services Administration (HASA) is the most comprehensive program of its kind in the country, helping New Yorkers living with HIV or AIDS live healthier and more independent lives. HASA assists with an individualized service plan that targets the support and necessary benefits that are specific to a client's medical situation, and that will enhance his or her well-being. HASA provides intensive case management, rental assistance, emergency and non-emergency housing, and assistance with applying for public benefits. HASA also provides vocational services that prepare clients for work. With counselors to help identify barriers to employment, clients can select vocational goals and receive support.

Other HASA services include home care and homemaking services, mental health and substance use screening and treatment referrals, transportation assistance, referrals to community-based organizations, and SSI or SSD application and appeal.

Home Care Services Program

The Department's Home Care Services Program (HCSP) assists individuals who are frail, elderly, and/or have disabilities to remain safely in their homes with non-institutional alternatives to nursing home care.

HCSP provides access to or authorizes services for a variety of Medicaid-funded long-term care programs designed to help eligible elderly or disabled individuals remain safely at home, rather than in a nursing home or other institution. In some cases, HCSP will assess medical needs and determine the appropriate care required. Eligibility for Medicaid-funded home care programs varies among program, but all programs require that the applicant be Medicaid-eligible. HCSP helps link New Yorkers to public health insurance for home care and administers the agency's medically related home care services programs. HCSP does not administer the New York State Managed Long-term Care Program that serves the majority of the New York City homecare population.

Homelessness Prevention Administration

The Homelessness Prevention Administration (HPA) works to keep New Yorkers in their homes. HPA works with the Department of Homeless Services (DHS), the NYC Housing Authority (NYCHA) and many other organizations and City agencies to assist families and individuals in need in obtaining and maintaining stable, affordable housing. HPA offers Homebase, a community-based program that connects New Yorkers at risk of eviction with a wide range of services under one roof, including eviction prevention services, assistance obtaining public benefits, education and job search assistance, financial counseling and money management, short-term financial assistance, and help moving to a new location.

IDNYC

IDNYC is the free identification card for New York City residents ages 10 and older. As a government-issued photo identification card, IDNYC secures the peace of mind and access to City services that come from having recognized identification. IDNYC benefits every city resident, including the most vulnerable communities - homeless New Yorkers, youth, the elderly, undocumented immigrants, formerly incarcerated persons and others who may have difficulty obtaining other government-issued ID.

Medical Assistance Program (MAP)

The Medical Assistance Program (MAP) administers eligibility for public health insurance programs to a subset of New York City residents. Based on the Federal rules set by the Affordable Care Act (ACA) and local standards set by the New York State Department of Health (NYSDOH), MAP reviews applications from city residents who are disabled, aged or blind, and processes nursing home eligibility and applications from individuals whose cash assistance cases are either rejected or closed or who have lost Social Security Supplemental Income (SSI) eligibility. MAP also determines eligibility and administers payment programs for clients with excess income and those dually eligible for Medicare and Medicaid. MAP works in conjunction with other divisions of DSS as well as other city agencies such as Health + Hospitals, the Administration for Children's Services (ACS) and the Department of Health and Mental Hygiene (DOHMH) to ensure that Medicaid and other health insurance initiatives are administered efficiently and in accordance with Federal and State policy.

Domestic Violence Services

Domestic Violence Services (DVS) provides prevention and intervention services, crisis counseling, advocacy, and legal services to help families and individuals impacted by domestic violence. DVS administers State-licensed emergency domestic violence shelters, as well as transitional Tier II shelters. Shelters provide safe environments and a range of additional domestic violence support services including counseling, advocacy and referrals. In addition, nine community based non-residential programs provide information, counseling, advocacy, legal services, and referrals to-- other supportive services to help domestic violence survivors navigate the challenges of living in their own communities. The Teen Relationship Abuse Prevention Program (RAPP) provides classes and counseling to teenagers in 72 public schools across the City to help stop relationship violence before it occurs.

EXPLANATION OF INDICATORS

CENSUS DATA

The source for the 2020 Census demographic and socioeconomic data is from the New York City Department of City Planning. The data in this report reflects only individuals residing in geographic areas categorized as Community Districts.

PROGRAM DATA

Included for New York City, each borough, and each community district, is the data relating to Cash Assistance, SNAP benefits, Medicaid, and SSI programs as of October 2022. Fair Fares NYC data is included for each borough.

DIRECT SERVICE OFFICES

The direct service offices listed are all locations operated by HRA. HRA has made sure that all New Yorkers can apply, recertify, or manage their HRA public benefits anytime online on the ACCESS HRA website or mobile app, without the need to go into an HRA office.

CONTRACT SERVICES - Planned for fiscal year 2023 (As of October 2022)

The DRS includes a list of human service contracts based on the Contractor's address. Information for these contracts includes type of service, contractual dates, contractor's name and address and contract amount. Contract addresses may not represent the areas served by the contract since the address may only be an administrative address and many contracts serve multiple community districts, as well as multiple boroughs.
