DOMESTIC VIOLENCE SERVICES

Domestic Violence Non-Residential Services

Available throughout the five boroughs, these free and confidential services support survivors of domestic violence (DV) who live in the community or recently transitioned from a DV shelter into permanent housing. These services help survivors build safe, independent, and empowered lives and include:

- » crisis intervention
- » case management
- » information and referral and advocacy
- » counseling and support groups
- » housing assistance
- » economic empowerment

Some organizations also offer:

- » legal services, such as help with orders of protection, U-Visa, and divorce and child support proceedings
- » services specifically for older adults (60+) and people with disabilities and LGBTQIA+ survivors

Use this guide to connect survivors with the most appropriate borough or specialized service, ensuring access to critical DV support services for every need.
