OFFICIAL STATEMENT
OF
THE CITY OF NEW YORK

This Official Statement provides certain information concerning The City of New York (the "City") in connection with the sale of the variable rate portion of the City's General Obligation Bonds, Fiscal 2006 Series I, Subseries I-3 through I-8 consisting of $425,000,000 adjustable rate bonds (the "Adjustable Rate Bonds" or the "Bonds"). In addition to the $425,000,000 Adjustable Rate Bonds, $375,000,000 of the City's General Obligation Bonds, Fiscal 2006 Subseries I-1 (the "Tax-Exempt Fixed Rate Bonds") and $70,000,000 of the City's General Obligation Bonds, Fiscal 2006 Subseries I-2 (the "Taxable Fixed Rate Bonds," and together with the Tax-Exempt Fixed Rate Bonds, the "Fixed Rate Bonds") will be issued as fixed rate bonds, which are described in a separate official statement and are not offered hereby.

The Bonds will be general obligations of the City for the payment of which the City will pledge its faith and credit. All real property subject to taxation by the City will be subject to the levy of *ad valorem* taxes, without limitation as to rate or amount, to pay the principal of, applicable redemption premium, if any, and interest on the Bonds.

The factors affecting the City's financial condition and the Bonds described throughout this Official Statement are complex and are not intended to be summarized in this Introductory Statement. The economic and financial condition of the City may be affected by various financial, social, economic, geo-political and other factors which could have a material effect on the City. This Official Statement (including the information referred to in SECTION I: INCLUSION BY SPECIFIC REFERENCE) should be read in its entirety.

The Fixed Rate Bonds described in such Official Statement are not offered by this Official Statement.

SECTION II: THE BONDS

General

The Bonds will be general obligations of the City issued pursuant to the Constitution and laws of the State, including the Local Finance Law (the "LFL"), and the New York City Charter (the "City Charter") and in accordance with bond resolutions of the Mayor and a certificate of the Deputy Comptroller for Public Finance (the "Certificate"). The Bonds will mature and bear interest as described on the inside cover page of this Official Statement and will contain a pledge of the City's faith and credit for the payment of the principal of, redemption premium, if any, and interest on the Bonds. All real property subject to taxation by the City will be subject to the levy of *ad valorem* taxes, without limitation as to rate or amount, to pay the principal of, redemption premium, if any, and interest on the Bonds.

Adjustable Rate Bonds

For the terms of the Adjustable Rate Bonds, including optional and mandatory tender provisions, see the inside cover page, "APPENDIX A—DEFINITIONS," and "APPENDIX B—MULTI-MODAL BONDS." The Adjustable Rate Bonds may be converted to Auction Rate Bonds or other Modes as described in "APPENDIX B—MULTI-MODAL BONDS—Conversion to an Alternate Rate Mode." Auction procedures are not described herein.

Payment Mechanism

Pursuant to the New York State Financial Emergency Act For The City of New York (the "Financial Emergency Act" or the "Act"), a general debt service fund (the "General Debt Service Fund" or the "Fund") has been established for City bonds and certain City notes. Pursuant to the Act, payments of the City real estate tax must be deposited upon receipt in the Fund, and retained under a statutory formula, for the payment of debt service (with exceptions for debt service, such as principal of seasonal borrowings, that is set aside under other procedures). The statutory formula has in recent years resulted in retention of sufficient real estate taxes to comply with the City Covenants (as defined in "Certain Covenants and Agreements below"). If the statutory formula does not result in retention of sufficient real estate taxes to comply with the City Covenants, the City will comply with the City Covenants either by providing for early retention of real estate taxes or by making cash payments into the Fund. The principal of and interest on the Bonds will be paid from the Fund until the Act expires not earlier than July 1, 2008, and thereafter from a separate fund maintained in accordance with the City Covenants. Since its inception in 1978, the Fund has been fully funded at the beginning of each payment period.

If the Control Board determines that retentions in the Fund are likely to be insufficient to provide for the debt service payable therefrom, it must require that additional real estate tax revenues be retained or other cash resources of the City be paid into the Fund. In addition, the Control Board is required to take such action as it determines to be necessary so that the money in the Fund is adequate to meet debt service requirements.

Enforceability of City Obligations

As required by the State Constitution and applicable law, the City pledges its faith and credit for the payment of the principal of and interest on all City indebtedness. Holders of City debt obligations have a contractual right to full payment of principal and interest at maturity. If the City fails to pay principal or interest, the holder has the right to sue and is entitled to the full amount due, including interest to maturity at the stated rate and at the rate authorized by law thereafter until payment. Under the General Municipal Law, if the City fails to pay any money judgment, it is the duty of the City to assess, levy and cause to be collected amounts sufficient to pay the judgment. Decisions indicate that judicial enforcement of statutes such as this provision in the General Municipal Law is within the discretion of a court. Other judicial decisions also indicate that a money judgment against a municipality may not be enforceable against municipal property devoted to public use.

The rights of the owners of Bonds to receive interest, principal and redemption premium, if any, from the City could be adversely affected by a restructuring of the City's debt under Chapter 9 of the Federal Bankruptcy Code. No assurance can be given that any priority of holders of City securities (including the Bonds) to payment from money retained in the Fund or from other sources would be recognized if a petition were filed by or on behalf of the City under the Federal Bankruptcy Code or pursuant to other subsequently enacted laws relating to creditors' rights; such money might then be available for the payment of all City creditors generally. Judicial enforcement of the City's obligation to make payments into the Fund, of the obligation to retain money in the Fund, of the rights of holders of bonds and notes of the City to money in the Fund, of the obligations of the City under the City Covenants and of the State under the State Pledge and Agreement (in each case, as defined in "—Certain Covenants and Agreements") may be within the discretion of a court. For further information concerning rights of owners of Bonds against the City, see "SECTION VIII: INDEBTEDNESS—Indebtedness of the City and Certain Other Entities" included herein by specific reference.

Certain Covenants and Agreements

The City will covenant that: (i) a separate fund or funds for the purpose of paying principal of and interest on bonds and interest on notes of the City (including required payments into, but not from, City sinking funds) shall be maintained by an officer or agency of the State or by a bank or trust company; and (ii) not later than the last day of each month, there shall be on deposit in a separate fund or funds an amount sufficient to pay principal of and interest on bonds and interest on notes of the City due and payable in the next succeeding month. The City currently uses the debt service payment mechanism described above to perform these covenants. The City will further covenant in the Bonds to provide a general reserve for each fiscal year to cover potential reductions in its projected revenues or increases in its projected expenditures during each such fiscal year, to comply with the financial reporting requirements of the Act, as in effect from time to time, to limit its issuance of bond anticipation notes as required by the Act, as in effect from time to time, to include as terms of the Adjustable Rate Bonds the provisions applicable thereto, and to comply therewith and with the statutory restrictions.

The State pledges and agrees in the Financial Emergency Act that the State will not take any action that will impair the power of the City to comply with the covenants described in the preceding paragraph (the "City Covenants") or any right or remedy of any owner of the Bonds to enforce the City Covenants (the "State Pledge and Agreement"). In the opinion of Bond Counsel, the enforceability of the City Covenants and the State Pledge and Agreement may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted and may also be subject to the exercise of the State's police powers and of judicial discretion in appropriate cases. The City Covenants and the State Pledge and Agreement shall be of no force and effect with respect to any Bond if there is a deposit in trust with a bank or trust company of sufficient cash or cash equivalents to pay when due all principal of, applicable redemption premium, if any, and interest on such Bond.

Use of Proceeds

The proceeds of the Bonds will be used for capital purposes, including expenses of the City in connection with the issuance and sale of the Bonds.

Optional Redemption

The Bonds are subject to redemption (or purchase in lieu thereof) prior to maturity at the option of the City, in whole or in part, (a) if bearing interest as Stepped-Coupon Bonds or at a Daily, Commercial Paper, Weekly or Auction Rate, on any potential Conversion Date of such Multi-Modal Bonds, or (b) if bearing interest as Bank Bonds or Purchased Bonds or at the highest rate provided by law for interest on accrued claims against municipalities on any date, in each case on 30 days' notice to Bondholders at the principal amount thereof plus any interest accrued and unpaid thereon.

In the event that less than all the Bonds of a Rate Mode, Subseries and maturity subject to redemption are to be redeemed, the Bonds shall be selected for redemption in the following manner: (i) first, from the Bonds, if any, of any Rate Mode, Subseries and maturity subject to such redemption which are held by or for the Standby Purchaser, (ii) second, from other Bonds bearing interest as Bank Bonds or Purchased Bonds (iii) third, from Bonds bearing interest at the TBMA Municipal Index plus 3%, or at the highest rate provided by law for interest on accrued claims against municipalities, and (iv) fourth, by lot.

The City may select Subseries, Rate Modes and amounts of Bonds for optional redemption in its sole discretion.

On and after any redemption date, interest will cease to accrue on the Bonds called for redemption.

Each of the Credit Facility Providers listed on the inside cover page has agreed to provide a Credit Facility in the form of an irrevocable standby letter of credit agreement with respect to the Subseries of Bonds designated on the inside cover page hereof for such Credit Facility Provider. Each such Credit Facility provides coverage for the principal of tendered Bonds and up to 35 days interest on such Bonds at a maximum interest rate of 9%. The scheduled expiration dates for each of the Credit Facilities are listed on the inside cover page. For a description of certain provisions of the Credit Facilities to be provided by the Credit Facility Providers, see "APPENDIX B—MULTI-MODAL BONDS." For information regarding the Credit Facility Providers, see "APPENDIX C—THE CREDIT FACILITY PROVIDERS."

Bond Certificates

Book-Entry Only System

The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Bonds. Reference to the Bonds under the caption "Bond Certificates" shall mean all Bonds that are deposited with DTC from time to time. The Bonds will be issued as fully-registered bonds registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate will be issued for each maturity of the Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 2.2 million issues of U.S. and non-U.S. equity, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions, in deposited securities through electronic computerized book-entry transfers and pledges between Direct Participants' accounts, thereby eliminating the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC, in turn, is owned by a number of Direct Participants of DTC and Members of the National Securities Clearing Corporation, Fixed Income Securities Clearing Corporation, and Emerging Markets Clearing Corporation, also subsidiaries of DTCC, as well as by the New York Stock Exchange, Inc., the American Stock Exchange LLC, and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to both U.S. and non-U.S. securities brokers and dealers, bank, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has Standard & Poor's highest rating: AAA. The DTC rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond (under this caption, "*Book-Entry Only System,*" a "Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of Cede & Co. or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Neither DTC nor Cede & Co. (nor such other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC's procedures. Under its usual procedures, DTC mails an omnibus proxy (the "Omnibus Proxy") to the City as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption notices shall be sent to DTC. If less than all of the Bonds within a maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed.

Payment of redemption proceeds and principal and interest on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the City or Fiscal Agent, The Bank of New York, on the payment date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Fiscal Agent, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds and principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the City or the Fiscal Agent, disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

A Beneficial Owner shall give notice to elect to have its Bonds purchased or tendered, through its Participant, to the Remarketing Agent, and shall effect delivery of such Bonds by causing the Direct Participant to transfer the Participant's interest in the Bonds, on DTC's records, to the Remarketing Agent. The requirement for physical delivery of Bonds in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Bonds are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Bonds to the Remarketing Agent's DTC account.

The services of DTC as securities depository with respect to the Bonds may be discontinued at any time by giving reasonable notice to the City or the Fiscal Agent. Under such circumstances, in the event that a successor securities depository is not obtained, Bond certificates will be printed and delivered.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the City believes to be reliable, but the City takes no responsibility for the accuracy thereof.

No assurance can be given by the City that DTC will make prompt transfer of payments to the Participants or that Participants will make prompt transfer of payments to Beneficial Owners. The City is not responsible or liable for payment by DTC or Participants or for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC or Participants.

For every transfer and exchange of the Bonds, the Beneficial Owners may be charged a sum sufficient to cover any tax, fee or other charge that may be imposed in relation thereto.

Unless otherwise noted, certain of the information contained in this subsection *"Book-Entry Only System"* has been extracted from information furnished by DTC. Neither the City nor the underwriters of the Bonds make any representation as to the completeness or the accuracy of such information or as to the absence of material adverse changes in such information subsequent to the date hereof.

SECTION III: MISCELLANEOUS

Supplemental Certificates

For any one or more of the following purposes and at any time or from time to time, the City may enter into a supplement to the Certificate:

(a) to cure any ambiguity, supply any omission or cure or correct any defect or inconsistent provision relating to the Adjustable Rate Bonds;

(b) to identify particular Adjustable Rate Bonds for purposes not inconsistent with the Certificate, including credit or liquidity support, remarketing, serialization and defeasance; or

(c) to insert such provisions with respect to the Adjustable Rate Bonds as are necessary or desirable and are not to the prejudice of the Bondholders.

Each supplement is conditioned upon delivery to the City of a Favorable Opinion of Bond Counsel.

Tax Exemption

In the opinion of Sidley Austin LLP, New York, New York, as Bond Counsel, except as provided in the following sentence, interest on the Bonds will not be includable in the gross income of the owners of the Bonds for purposes of federal income taxation under existing law. Interest on the Bonds will be includable in the gross income of the owners thereof retroactive to the date of issue of the Bonds in the event of a failure by the City to comply with applicable requirements of the Internal Revenue Code of 1986, as amended, (the "Code") with respect to the Bonds and the Tax-Exempt Fixed Rate Bonds, and covenants regarding use, expenditure and investment of bond proceeds and the timely payment of certain investment earnings to the United States Treasury; and no opinion is rendered by Sidley Austin LLP as to the exclusion from gross income of the interest on the Bonds for federal income tax purposes on or after the date on which any action is taken under the Bond proceedings or the proceedings with respect to the Tax-Exempt Fixed Rate Bonds upon the approval of counsel other than such firm.

Interest on the Bonds will be exempt from personal income taxes imposed by the State or any political subdivision thereof, including the City.

Interest on the Bonds will not be a specific preference item for purposes of the federal individual or corporate alternative minimum tax. The Code contains other provisions that could result in tax consequences, upon which Sidley Austin LLP renders no opinion, as a result of ownership of such Bonds or the inclusion in certain computations (including, without limitation, those related to the corporate alternative minimum tax) of interest that is excluded from gross income. Interest on the Bonds owned by a corporation will be included in the calculation of the corporation's federal alternative minimum tax liability.

Ownership of tax-exempt obligations may result in collateral tax consequences to certain taxpayers, including, without limitation, financial institutions, property and casualty insurance companies, certain foreign corporations doing business in the United States, certain S Corporations with excess passive income, individual recipients of Social Security or railroad retirement benefits, taxpayers eligible for the earned income tax credit and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations. Prospective purchasers of the Bonds should consult their tax advisors as to the applicability of any such collateral consequences.

Legislation affecting municipal securities is constantly being considered by the United States Congress. There can be no assurance that legislation enacted after the date of issuance of the Bonds will not have an adverse effect on the tax-exempt status of the Bonds. Legislative or regulatory actions and proposals may also affect the economic value of the tax exemption or the market price of the Bonds.

Legal Opinions

The legality of the authorization and issuance of the Bonds will be covered by the approving legal opinion of Sidley Austin LLP, New York, New York, Bond Counsel to the City. Reference should be made to the form of such opinion set forth in Appendix D hereto for the matters covered by such opinion and the scope of Bond Counsel's engagement in relation to the issuance of the Bonds. Such firm is also acting as counsel for and against the City in certain other unrelated matters.

Certain legal matters will be passed upon for the City by its Corporation Counsel.

Fulbright & Jaworski L.L.P., New York, New York, Special Counsel to the City, will pass upon certain legal matters in connection with the preparation of this Official Statement. A description of those matters and the nature of the review conducted by that firm is set forth in its opinion and accompanying memorandum which are on file at the office of the Corporation Counsel.

Certain legal matters will be passed upon by Clifford Chance US LLP, New York, New York, counsel for the Underwriter. Such firm is also acting as counsel for and against the City in certain unrelated matters.

MULTI-MODAL BONDS

The Multi-Modal Bonds are subject to the provisions summarized below. Capitalized terms used in this "APPENDIX B—MULTI-MODAL BONDS" which are not otherwise defined in the Official Statement are defined in "APPENDIX A—DEFINITIONS."

General

$425,000,000 aggregate principal amount of the City's General Obligation Bonds, Fiscal 2006 Series I, are to be issued as Multi-Modal Bonds, designated as Subseries I-3 through Subseries I-8.

Subseries I-3, I-5, I-6 and I-8 Bonds will bear interest at a Daily Rate. Subseries I-4 and I-7 Bonds will bear interest at an Initial Rate to and including April 18, 2006, and thereafter at a Weekly Rate. The Bonds of each Subseries will be issued as Liquidity Enhanced Bonds backed by a Credit Facility, are subject to mandatory tender for purchase as described under "Mandatory Tender for Purchase" and so long as such Bonds are in a Daily Rate Mode or Weekly Rate Mode, are subject to optional tender for purchase as described under "Optional Tender for Purchase." The Multi-Modal Bonds of each Subseries will continue in a Rate Mode until converted to another Rate Mode and will bear interest at a rate determined in accordance with the procedures for determining the interest rate during such Rate Mode. See "Conversion to an Alternate Rate Mode" and "Interest Rates and Reset Dates" below.

During the Initial Rate Period for the Liquidity Enhanced Bonds, a Daily Rate Period, a Commercial Paper Rate Period or a Weekly Rate Period, interest will be computed on the basis of a 365-day or 366-day year for the actual number of days elapsed and for Stepped-Coupon Bonds or during a Term Rate Period and the Fixed Rate Period, interest will be computed on the basis of a 360-day year of twelve 30-day months.

Interest on the Multi-Modal Bonds will be payable on each Interest Payment Date to the registered owner thereof as shown on the registration books kept by the Fiscal Agent at the close of business on the applicable Record Date.

Interest payable on Liquidity Enhanced Bonds will be the interest accruing and unpaid through and including the day preceding the Interest Payment Date.

Conversion to an Alternate Rate Mode

Subject to the conditions in the Certificate, the City may convert all or a portion of the Multi-Modal Bonds in one Rate Mode to a different Rate Mode by delivering a notice (the "Conversion Notice") to, as applicable, the Remarketing Agent, the Standby Purchaser, DTC, the Broker-Dealers, the Auction Agent, the Fiscal Agent and the Tender Agent specifying the Multi-Modal Bonds to be converted, the conversion date (the "Conversion Date") and the Rate Mode that will be effective on the Conversion Date. The City must deliver such Conversion Notice not less than 15 days prior to the Conversion Date or a shorter period if acceptable to the Fiscal Agent and DTC. The Tender Agent is to give written notice to the registered owner of each Liquidity Enhanced Bond of the City's election to convert to another Rate Mode and the Conversion Date. Such notice is to be given, by first-class mail, not later than three calendar days after receipt by the Tender Agent of the Conversion Notice.

The Tender Agent, no later than three days after receipt of the Conversion Notice, is to give notice by first-class mail to the Holders of Liquidity Enhanced Bonds to be converted, which notice must state (i) the Conversion Date; (ii) that the Rate Mode will not be converted unless the City receives on the Conversion Date a Favorable Opinion of Bond Counsel; (iii) the name and address of the principal corporate trust offices of the Fiscal Agent and Tender Agent; (iv) that the Liquidity Enhanced Bonds to be converted will be subject to mandatory tender for purchase on the Conversion Date at the Purchase Price; and (v) that upon the Conversion, if there is on deposit with the Tender Agent on the Conversion Date an amount sufficient to pay the Purchase Price of the Bonds so converted, such Bonds not delivered to the Tender Agent will be deemed to have been properly tendered for purchase and will cease to represent a right on behalf of the Holder thereof to the payment of principal of or interest thereon and shall represent only the right to payment of the Purchase Price on deposit with the Tender Agent, without interest accruing thereon from and after the Conversion Date.

If less than all of the Adjustable Rate Bonds of a Subseries then subject to a particular Rate Mode are to be converted to a new Rate Mode, the particular Multi-Modal Bonds which are to be converted to a new Rate Mode will be selected by the Fiscal Agent (or, if the City so elects, the City) subject to the provisions of the Certificate regarding Authorized Denominations.

If a Favorable Opinion of Bond Counsel cannot be obtained, or if the election to convert was withdrawn by the City, or if the Remarketing Agent has notified the Fiscal Agent, the City and the Standby Purchaser that it has been unable to remarket the Multi-Modal Bonds on the Conversion Date, the Multi-Modal Bonds will bear interest in the previous Rate Mode or, at the option of the City and in compliance with the provisions of the Certificate regarding conversion of Rate Modes, any other Rate Mode selected by the City.

Interest Rates and Reset Dates

General. The rate at which the Adjustable Rate Bonds will bear interest during any Rate Period will be the rate of interest that, if borne by the Adjustable Rate Bonds for such Rate Period, in the judgment of the Remarketing Agent, having due regard for the prevailing financial market conditions for bonds or other securities which are comparable as to federal income tax treatment, credit and maturity or tender dates with the federal income tax treatment, credit and maturity or tender dates of the Adjustable Rate Bonds, would be the lowest interest rate that would enable the Adjustable Rate Bonds to be sold at a price equal to the principal amount thereof, plus accrued interest, thereon, if any. No Rate Period for Liquidity Enhanced Bonds will extend beyond the scheduled Expiration Date of the Liquidity Facility then in effect, if any.

Maximum Rate. The Liquidity Enhanced Bonds may not bear interest at a rate greater than the Maximum Rate. The Multi-Modal Bonds in an Auction Rate Mode may not bear interest at a rate greater than the Maximum Auction Rate.

Daily Rate. The Daily Rate for any Business Day is to be determined by the Remarketing Agent and announced by 10:00 a.m., New York City time, on such Business Day. For any day which is not a Business Day, the Daily Rate will be the Daily Rate for the immediately preceding Business Day.

If (i) a Daily Rate for a Daily Rate Period has not been determined by the Remarketing Agent, (ii) no Remarketing Agent is serving under the Certificate, (iii) the Rate so established is held to be invalid or unenforceable with respect to a Daily Rate Period, or (iv) pursuant to the Remarketing Agreement the Remarketing Agent is not then required to establish a Daily Rate, the Daily Rate for such Daily Rate Period will be the TBMA Municipal Index on the date such Daily Rate was to have been determined by the Remarketing Agent.

Weekly Rate. Unless otherwise provided by the City pursuant to the Certificate, the Weekly Rate is to be determined by the Remarketing Agent and announced by 4:00 p.m., New York City time, on each Tuesday, and if such Tuesday is not a Business Day, then the next preceding Business Day. The Weekly Rate Period means a period commencing on a Wednesday and extending to and including the next succeeding Tuesday.

If (i) a Weekly Rate has not been determined by the Remarketing Agent, (ii) no Remarketing Agent is serving under the Certificate, (iii) the Weekly Rate determined by the Remarketing Agent is held to be invalid or unenforceable with respect to a Weekly Rate Period, or (iv) pursuant to the Remarketing Agreement, the Remarketing Agent is not then required to establish a Weekly Rate, the Weekly Rate will be the TBMA Municipal Index on the date such Weekly Rate was to be determined by the Remarketing Agent.

Commercial Paper Rate. The Commercial Paper Rate Period for each Adjustable Rate Bond in a Commercial Paper Rate Mode is to be determined by the Remarketing Agent and announced by

12:30 p.m., New York City time, on the first day of each Commercial Paper Rate Period. Commercial Paper Rate Periods may be from 1 to 365 days. If the Remarketing Agent fails to specify the next succeeding Commercial Paper Rate Period, such Commercial Paper Rate Period will be the shorter of (i) seven days or (ii) the period remaining to but not including the maturity or redemption date of such Bond. Each Adjustable Rate Bond in a Commercial Paper Mode is to bear interest during a particular Commercial Paper Rate Period at a rate per annum equal to the interest rate determined above corresponding to the Commercial Paper Rate Period. An Adjustable Rate Bond can have a Commercial Paper Rate Period and bear interest at a Commercial Paper Rate that differs from other Adjustable Rate Bonds in the Commercial Paper Rate Mode.

If (i) a Commercial Paper Rate for a Commercial Paper Rate Period has not been determined by the Remarketing Agent, (ii) no Remarketing Agent is serving under the Certificate, (iii) the Commercial Paper Rate determined by the Remarketing Agent is held to be invalid or unenforceable with respect to a Commercial Paper Rate Period, or (iv) pursuant to the Remarketing Agreement, the Remarketing Agent is not then required to establish a Commercial Paper Rate, the Commercial Paper Rate will be the TBMA Municipal Index on the date such Commercial Paper Rate Period was to have been determined by the Remarketing Agent.

Term Rate. The Term Rate for any Term Rate Period is to be determined by the Remarketing Agent not later than a date two Business Days prior or the first day of the next Term Rate Period. If the Remarketing Agent is unable to remarket all of the Adjustable Rate Bonds at the interest rate determined by the Remarketing Agent pursuant to the previous sentence, the Remarketing Agent may at any time prior to the first day of a Term Rate Period increase the interest rate to that rate of interest which would be the lowest rate that would enable the Adjustable Rate Bonds to be sold on such first day at a price of par, plus accrued interest, if any. No less than 20 Business Days prior to the end of each Term Rate Period, the City must deliver to the Fiscal Agent, the Tender Agent and the Remarketing Agent written notice of the City's determination of the next succeeding Term Rate Period, which Term Rate Period is to end on the day preceding a Business Day. However, if the City fails to specify the next succeeding Term Rate Period, such Term Rate Period will be the same period as the immediately preceding Term Rate Period but not later than a day preceding a Business Day that is prior to the maturity date.

If for any reason, the interest rate for the Adjustable Rate Bonds in the Term Rate Mode is not determined by the Remarketing Agent in the manner specified above, the interest rate will be equal to Municipal Market Data General Obligation Yield on bonds with the same federal income tax treatment and the then long-term ratings as the Bonds that mature on a date that is as nearly as practical the same date as the date on which the new Term Rate Period for such Adjustable Rate Bonds will end. Such interest rate will be based upon the Municipal Market Data General Obligation Yield for the most recent period for which information is available on the date the interest rate is to be determined. If such index or its equivalent is no longer published, the interest rate on such Adjustable Rate Bonds will be the interest rate then in effect on such Adjustable Rate Bonds.

Fixed Rate or *Stepped Coupons.* The rate or rates for Bonds in the Fixed Rate Mode or Stepped-Coupon Bonds shall be determined by the Remarketing Agent or other investment banking firm or firms with which the City has entered into an agreement for the purchase, as underwriters, of the Multi-Modal Bonds on the Conversion Date to Fixed Rate Bonds or Stepped-Coupon Bonds as agreed to by the City. If the rate or rates for Bonds in the Fixed Rate Mode or Stepped-Coupon Bonds have not been determined as aforesaid for any reason, then the former Rate Period will continue in effect, unless the City elects another Rate Mode in accordance with the Certificate.

Once the Multi-Modal Bonds are converted to bear interest as Bonds in the Fixed Rate Mode or Stepped-Coupon Bonds, the Multi-Modal Bonds will not be converted to bear interest at any other rate until such time as the Adjustable Rate Bonds are subject to optional redemption. Once the Multi-Modal Bonds in the Fixed Rate Mode or Stepped-Coupon Bonds are subject to optional redemption, the City may on any potential optional redemption date convert the interest rate on all or part of such Multi-Modal Bonds to an Auction Rate or, provided a Liquidity Facility is in effect to the extent required by the LFL, a Daily Rate, a Weekly Rate, a Commercial Paper Rate or a Term Rate. If for any reason a new interest rate is not determined, then the former Rate Mode will continue in effect, unless the City elects another Rate Mode in accordance with the Certificate.

Optional Tender for Purchase

General. So long as a Subseries of Bonds is supported by a Credit Facility, or by another Standby Agreement with no Liquidity Condition in effect, an Adjustable Rate Bond or any portion thereof equal to an Authorized Denomination may be tendered for purchase, at the Purchase Price, at the option of its registered owner on any Business Day during a Daily Rate Mode or a Weekly Rate Mode (the "Optional Tender Date") upon giving notice of the registered owner's election to tender in the manner and at the times described below. Notice of an election to tender an Adjustable Rate Bond registered in the name of DTC is to be given by the DTC Participant on behalf of the Beneficial Owner of the Adjustable Rate Bond and will not be given by DTC. Notice of the election to tender for purchase of an Adjustable Rate Bond registered in any other name is to be given by the registered owner of such Adjustable Rate Bond or its attorney-in-fact.

The notice must state the name of the registered owner of the Beneficial Owner and the principal amount of the Adjustable Rate Bond, the aggregate principal amount of such Adjustable Rate Bond to be tendered for purchase and the Business Day on which such Adjustable Rate Bond or portion thereof to be tendered for purchase is to be purchased.

A DTC Participant or the registered owner of an Adjustable Rate Bond must give written notice of its irrevocable election to tender such Adjustable Rate Bond or a portion thereof for purchase at its option to the Tender Agent and the Remarketing Agent at their respective principal offices, in the case of Adjustable Rate Bonds bearing interest in a Daily Rate Mode, by no later than 11:00 a.m. on any Business Day which such Adjustable Rate Bond or portion thereof is to be purchased and in the case of Adjustable Rate Bonds bearing interest in a Weekly Rate Mode by no later than 5:00 p.m., New York City time, on the seventh day prior to the Business Day when such Adjustable Rate Bond or portion thereof is to be purchased. In addition, the registered owner of an Adjustable Rate Bond is required to deliver such Bond to the Tender Agent at its principal corporate trust office at or prior to 1:00 p.m., New York City time, on such Optional Tender Date.

The Multi-Modal Bonds in a Commercial Paper Mode, Term Mode, Fixed Rate Mode or an Auction Rate Mode are not subject to optional tender for purchase.

Mandatory Tender for Purchase

So long as no Liquidity Condition is in effect, the Liquidity Enhanced Bonds which are affected by the following actions are subject to mandatory tender and purchase at the Purchase Price on the following dates (each, a "Mandatory Tender Date"):

(a) on each Conversion Date for the Adjustable Rate Bonds being converted to a different Rate Mode;

(b) on the Business Day following each Rate Period for the Adjustable Rate Bonds in the Commercial Paper Mode or the Term Rate Mode;

(c) on a Business Day that is not less than three Business Days prior to the Expiration Date of the Liquidity Facility then in effect with respect to a Subseries of Adjustable Rate Bonds, which will be drawn upon to pay the Purchase Price of tendered Adjustable Rate Bonds, unless such Liquidity Facility has been extended, or a substitute delivered with Rating Confirmation, at least 15 days prior to such Expiration Date;

(d) unless clause (c) is applicable or Rating Confirmation is provided not less than two Business Days before the effective date of a substitute Liquidity Facility delivered pursuant to the Certificate with respect to a Subseries of Adjustable Rate Bonds, on which date the Liquidity Facility in effect prior to the substitute liquidity facility will be drawn upon to pay the Purchase Price of tendered Adjustable Rate Bonds that are not remarketed;

(e) on a Business Day that is not less than one Business Day prior to the Termination Date of a Liquidity Facility relating to a Subseries of Adjustable Rate Bonds specified in the Default Notice delivered by the Standby Purchaser or its agent in accordance with the Liquidity Facility; and

(f) so long as a Credit Facility shall be in effect, upon any failure by the City to provide funds to the Fiscal Agent for the payment of principal or interest when due on the Bonds, in which event the Fiscal Agent shall cause a draw to be made pursuant to each Credit Facility for the immediate purchase of the applicable Bonds and notice of mandatory tender to be given to each Holder of such Bonds, effective on the same day or, if funds are not available therefor until the next Business Day pursuant to the Credit Facility because of late delivery of the draw notice, then on such next Business Day.

Stepped-Coupon Bonds and Bonds in the Fixed Rate Mode shall be subject to mandatory tender for purchase in lieu of redemption on any redemption date, and thereafter to optional or mandatory tender for purchase, all as may be provided for by a supplement to the Certificate in accordance with the LFL.

Whenever Adjustable Rate Bonds are to be tendered for purchase in accordance with (a) above, the Tender Agent is to give notice to the Holders of Adjustable Rate Bonds indicating that such Bonds are subject to mandatory tender for purchase on the date specified in such notice. The Tender Agent is to give notice by first-class mail and not later than three calendar days after receipt by the Tender Agent of the Conversion Notice from the City. The failure of any Holder of any portion of Adjustable Rate Bonds to receive such notice will not affect the validity of such Conversion to a new Rate Mode.

Whenever Adjustable Rate Bonds are to be tendered for purchase in accordance with (c), (d) or (e) above, the Tender Agent is to give notice to the Holders of Adjustable Rate Bonds indicating that such Bonds are subject to mandatory tender for purchase on the date specified in such notice. The Tender Agent is to give such notice by first-class mail and not less than five calendar days prior to the effective date of the expiration or earlier termination of the affected Liquidity Facility then in effect or of the effective date of a substitute Liquidity Facility or prior to the date specified in the Default Notice. The failure of any Holder of any portion of Adjustable Rate Bonds to receive such notice will not affect the validity of the proceedings in connection with the effectiveness of the affected Liquidity Facility.

Bonds Deemed Purchased

The Adjustable Rate Bonds or portions thereof required to be purchased upon a tender at the option of the registered owner thereof or upon a mandatory tender will be deemed to have been tendered and purchased for all purposes of the Certificate, irrespective of whether such Adjustable Rate Bonds have been presented and surrendered to the Tender Agent, if on the Tender Date money sufficient to pay the Purchase Price thereof are held by the Tender Agent. The former registered owner of a Tendered Bond or an Adjustable Rate Bond deemed to have been tendered and purchased will have no claim thereunder or under the Certificate or otherwise for payment of any amount other than the Purchase Price.

Purchase Price and Payment

On each Tender Date, a Tendered Bond will be purchased at the applicable Purchase Price. The Purchase Price of a Tendered Bond is the principal amount of the Adjustable Rate Bond to be tendered or the amount payable to the registered owner of a Purchased Bond following receipt by such owner of a purchase notice from the Remarketing Agent, plus accrued and unpaid interest from the immediately preceding Interest Payment Date. If the date of purchase is an Interest Payment Date, then the Purchase Price will not include accrued and unpaid interest, which will be paid to the Holder of record on the applicable Record Date.

The Purchase Price of a Tendered Bond held in a book-entry-only system will be paid, in same-day funds, to DTC in accordance with DTC's standard procedures for effecting same-day payments, as described herein under the heading "Book-Entry Only System." Payment will be made without presentation and surrender of the Tendered Bonds to the Tender Agent and DTC will be responsible for effecting payment of the Purchase Price to the DTC Participants.

The Purchase Price of any other Adjustable Rate Bond will be paid, in same-day funds, only after presentation and surrender of the Adjustable Rate Bond to the Tender Agent at its Delivery Office. Payment will be made by 3:00 p.m., New York City time, on the Tender Date on which an Adjustable Rate Bond is presented and surrendered to the Tender Agent.

The Purchase Price is payable solely from, and in the following order of priority, the proceeds of the remarketing of Adjustable Rate Bonds tendered for purchase, money made available by the Standby Purchaser under the Liquidity Facility then in effect and money furnished by or on behalf of the City (which has no obligation to do so).

No Extinguishment

Bonds held by any Standby Purchaser or by the Fiscal Agent or the Tender Agent for the account of any Standby Purchaser following payment of the purchase price of such Bonds by the Fiscal Agent or the Tender Agent with money provided by any Standby Purchaser shall not be deemed to be retired, extinguished or paid and shall for all purposes remain outstanding.

Liquidity Conditions

Upon the occurrence of a suspension condition, as specified in a Standby Agreement that is not a Credit Facility, the Standby Purchaser's obligations to purchase the related Bonds shall immediately be suspended (but not terminated) without notice or demand to any person and thereafter the Standby Purchaser shall be under no obligation to purchase such Bonds (nor shall such Bonds be subject to optional or mandatory tender for purchase) unless and until the Standby Purchaser's commitment is reinstated pursuant to the Liquidity Facility. Promptly upon the occurrence of such suspension condition, the Standby Purchaser shall notify the City, the Tender Agent, the Fiscal Agent and the Remarketing Agent of such suspension in writing and the Tender Agent shall promptly relay such notice to the Bondholders upon receipt; but the Standby Purchaser shall incur no liability or responsibility whatsoever by reason of its failure to give such notice and such failure shall in no way affect the suspension of its obligation to purchase such Bonds. If the suspension condition shall be cured as described in the Liquidity Facility, the obligations of the Standby Purchaser under the Liquidity Facility shall be reinstated (unless the Standby Purchaser's obligations shall have expired or shall otherwise have been terminated or suspended as provided in the Liquidity Facility).

Upon the occurrence of an event of immediate termination, the Standby Purchaser's obligation under the Liquidity Facility to purchase the related Bonds shall immediately terminate without notice or demand to any person, and thereafter the Standby Purchaser shall be under no obligation to purchase such Bonds (nor shall such Bonds be subject to optional or mandatory tender for purchase). Promptly upon the occurrence of such event the affected Standby Purchaser shall give written notice of the same to the City, the Tender Agent, the Fiscal Agent and the Remarketing Agent and the Tender Agent shall promptly relay such notice to the Bondholders upon receipt; but the affected Standby Purchaser shall incur no liability or responsibility whatsoever by reason of its failure to give such notice and such failure shall in no way affect the termination of its obligation to purchase such Bonds.

As long as a Credit Facility is in effect, there are no Liquidity Conditions.

Inadequate Funds for Tender

If the funds available for purchase of Bonds backed by a Standby Purchaser are inadequate for the purchase of all such Bonds tendered on any purchase date, or a Liquidity Condition shall exist then the affected Bonds shall bear interest from such date at the lower of (x) the TBMA Municipal Index plus 3% and (y) the highest rate provided by law for interest on accrued claims against municipalities as of such date and shall no longer be subject to optional or mandatory tender for purchase (except upon Conversion); and the Tender Agent shall immediately: (i) return all such undefeased tendered Bonds to the owners thereof; (ii) return all money received for the purchase of such Bonds to the persons providing such money; and (iii) give written notice to all such Bondowners. As long as no Liquidity Condition exists, the obligation to deposit funds in sufficient amounts to purchase such Bonds from either proceeds of the applicable Liquidity Facility or remarketing proceeds shall remain enforceable pursuant to the terms thereof and hereof, and shall only be discharged at such time as funds are deposited with the Tender Agent in an amount sufficient to purchase all such Bonds that were required to be purchased on such tender date, together with any interest which has accrued to the subsequent purchase date.

Remarketing of Bonds Upon Tender

Pursuant to the Remarketing Agreement, the Remarketing Agent is required to use its best efforts to remarket a Tendered Bond on its Tender Date at a price equal to the Purchase Price or, if such Adjustable Rate Bonds are being remarketed upon their conversion from the Term Rate Mode or the Fixed Rate Mode, such Bonds will be remarketed at a price equal to par. The Remarketing Agreement sets forth, among other things, certain conditions to the Remarketing Agent's obligation to remarket Tendered Bonds.

On each Tender Date, the Remarketing Agent is to give notice by telephone to the Fiscal Agent, the Tender Agent, the Standby Purchaser and the City specifying the principal amount of Bonds which have been tendered for purchase and remarketed, along with the principal amount of Tendered Bonds, if any, for which it has not arranged a remarketing. The Tender Agent is, on such Tender Date, to obtain funds under the applicable Liquidity Facility in accordance with its terms in an amount equal to the difference between the Purchase Price of the Tendered Bonds subject to purchase and the remarketing proceeds available to the Tender Agent.

Defeasance

For the purpose of determining whether Multi-Modal Bonds shall be deemed to have been defeased, the interest to come due on such Multi-Modal Bonds shall be calculated at the maximum applicable rate; and if, as a result of such Multi-Modal Bonds having borne interest at less than the maximum rate for any period, the total amount on deposit for the payment of interest on such Multi-Modal Bonds exceeds the total amount required, the balance shall be paid to the City. In addition, Multi-Modal Bonds shall be deemed defeased only if there shall have been deposited money in an amount sufficient for the timely payment of the maximum amount of principal of and interest on such Multi-Modal Bonds that could become payable to the Bondholders upon the exercise of any applicable optional or mandatory tender for purchase.

Credit Facilities

For each Subseries of Adjustable Rate Bonds that is not defeased and is subject to optional or mandatory tender for purchase, the City shall, as required by law, keep in effect one or more letter of credit agreements or liquidity facility agreements for the benefit of the Bondholders of such Subseries, which shall require a financially responsible party or parties other than the City to purchase all or any portion of such Adjustable Rate Bonds duly tendered by the holders thereof for repurchase prior to the maturity of such Adjustable Rate Bonds. A financially responsible party or parties, for the purposes of this paragraph, shall mean a person or persons determined by the Mayor and the Comptroller of the City to have sufficient net worth and liquidity to purchase and pay for on a timely basis all of the Adjustable Rate Bonds which may be tendered for repurchase by the holders thereof. The initial Liquidity Facilities are Credit Facilities in the form of irrevocable standby letter of credit agreements. The scheduled expiration dates for each of the Credit Facilities are listed on the inside cover page.

Each owner of an Adjustable Rate Bond bearing interest at a Daily, Weekly, Commercial Paper Rate or Term Rate (and not defeased) will be entitled to the benefits and subject to the terms of the Liquidity Facility for such Bond. Subject to the terms of the Liquidity Facility, the Liquidity Provider agrees to make available to the Tender Agent, upon receipt of an appropriate demand for payment, the Purchase Price for Adjustable Rate Bonds of the stated Subseries. The initial Liquidity Providers' commitments under the Credit Facilities will be sufficient to pay the Purchase Price of the Subseries I-3 through I-8 Bonds as follows:

Credit Facility Provider	Subseries	Credit Facility Scheduled Expiration Date
Bank of America	I-3, I-7 and I-8	April 1, 2011
The Bank of New York	I-4	April 1, 2013
California Public Employees' Retirement System	I-5	April 1, 2013
California State Teachers' Retirement System	I-6	April 1, 2013

No Credit Facility Provider is responsible for another Credit Facility Provider's performance of its obligations under a Credit Facility.

Mandatory purchase of Liquidity Enhanced Bonds shall occur under the circumstances provided therefor, so long as no Liquidity Condition is in effect, including failure to extend or replace the Liquidity Facility relating to such Subseries of Liquidity Enhanced Bonds and (at the option of the Liquidity Provider) other events, including without limitation breaches of covenants, defaults on other bonds of the City or other entities, and events of insolvency. Notwithstanding the other provisions of the Adjustable Rate Bonds and the Certificate, upon the purchase of a Liquidity Enhanced Bond by the Liquidity Provider, all interest accruing thereon from the last date for which interest was paid shall accrue for the benefit of and be payable to the Liquidity Provider.

If a Liquidity Facility is to be extended or replaced, the City shall give Written Notice to each affected Bondholder at least 5 days prior to the extension or replacement.

To the extent described in the Adjustable Rate Bonds and the Liquidity Facility, the City shall have the right to terminate the Liquidity Facility upon not less than 15 days notice to the Liquidity Provider and may seek a substitute provider or providers to assume the rights and obligations of the Liquidity Provider. The holders of the affected Adjustable Rate Bonds shall be notified of any assumption of the Liquidity Provider's rights and obligations.

The preceding is a summary of certain provisions expected to be included in the initial Liquidity Facilities and proceedings under which the Multi-Modal Bonds are to be issued, and is subject in all respects to the underlying documents, copies of which will be available for inspection during business hours at the office of the Fiscal Agent. Information regarding each Credit Facility Provider is included herein as "APPENDIX C—THE CREDIT FACILITY PROVIDERS." Neither the City nor the Underwriters make any representation with respect to the information in "APPENDIX C—THE CREDIT FACILITY PROVIDERS."

California Public Employees' Retirement System

California Public Employees' Retirement System ("CalPERS" or the "System"), a unit of the California State and Consumer Services Agency, provides retirement and health benefits to more than 1.4 million public employees, retirees, and their families, based on employment services provided to more than 2,500 cities, counties, districts, and other local authorities or public bodies of or within the State of California. CalPERS is created pursuant to, and governed by the provisions of, Title 2, Division 5, Parts 3 through 8, of the Government Code, section 20000 *et seq.* (the "Public Employees' Retirement Law").

California Constitution Article XVI, Section 17 (the "Constitutional Provision") grants to the CalPERS Board plenary authority and financial responsibility for the investment of System assets. These assets are held in trust under the Constitutional Provision, to be used for the exclusive purposes of providing benefits to System members and their beneficiaries and defraying reasonable expenses of administering the System. Under paragraph (c) of the Constitutional Provision, the Board may make investments consistent with the trust imposed upon it, with the further obligation to diversify the investments so as to minimize the risk of loss and maximize the rate of return and to act with the care, skill, prudence and diligence "under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with these matters would use in the conduct of an enterprise of a like character and with like aims." The sole additional limit on the Board's investment authority is that it will not invest in instruments prohibited by the legislature as being violative of the public interest. California Government Code (the "Government Code") section 7514.3 provides express statutory authority for CalPERS to establish a credit enhancement program to assist entities of state and local government and other issuers of municipal and public finance debt to secure more favorable financing terms through a variety of types of credit enhancement including, but not limited to, enhancement of the credit of bonds, notes, and other indebtedness.

The standards set forth in the Constitutional Provision are further defined in several provisions of the Government Code. For example, the same "prudent person" standard is restated in Section 20151(c) of the Government Code. In Section 20190, the Government Code recognizes the Board as possessing the "exclusive control" for investment of the retirement fund, again authorizing the Board, in its discretion, to "invest the assets of the fund through the purchase, holding or sale . . . [of] any investment, financial instrument, or financial transaction [that] is prudent in the informed opinion of the board."

Under Section 20191 of the Government Code, the Board may further specify guidelines "by which to designate those securities and real property that are acceptable for purchase" through the adoption of investment resolutions. The Board may delegate its investment authority to its executive officer, who may further delegate to his or her subordinates, unless the Board has reserved authority to the executive officer to act personally (Section 20099 of the Government Code).

APPENDIX D

FORM OF LEGAL OPINION OF BOND COUNSEL

April 11, 2006

HONORABLE WILLIAM C. THOMPSON, JR.
COMPTROLLER
The City of New York
Municipal Building
New York, New York 10007

Dear Comptroller Thompson:

We have acted as counsel to The City of New York (the "City"), a municipal corporation of the State of New York (the "State"), in the issuance of its General Obligation Bonds, Fiscal 2006 Series I (the "Bonds").

The Bonds are issued pursuant to the provisions of the Constitution of the State, the Local Finance Law of the State, and the Charter of the City, and in accordance with a certificate of the Deputy Comptroller for Public Finance and related proceedings (the "Certificate").

Based on our examination of existing law, such legal proceedings and such other documents as we deem necessary to render this opinion, we are of the opinion that:

1. The Bonds have been duly authorized, executed and issued in accordance with the Constitution and statutes of the State and the Charter of the City and constitute valid and legally binding obligations of the City for the payment of which the City has validly pledged its faith and credit, and all real property within the City subject to taxation by the City is subject to the levy by the City of *ad valorem* taxes, without limit as to rate or amount, for payment of the principal of and interest on the Bonds.

2. Interest on the Bonds is exempt from personal income taxes imposed by the State or any political subdivision thereof, including the City.

3. Except as provided in the following sentence, interest on the Subseries I-1, I-3, I-4, I-5, I-6, I-7 and I-8 Bonds (the "Tax-Exempt Bonds") is not includable in the gross income of the owners of the Tax-Exempt Bonds for purposes of federal income taxation under existing law. Interest on the Tax-Exempt Bonds will be includable in the gross income of the owners thereof retroactive to the date of issue of the Tax-Exempt Bonds in the event of a failure by the City to comply with the applicable requirements of the Internal Revenue Code of 1986, as amended (the "Code"), and the covenants regarding use, expenditure and investment of bond proceeds and the timely payment of certain investment earnings to the United States Treasury; and we render no opinion as to the exclusion from gross income of interest on the Tax-Exempt Bonds for federal income tax purposes on or after the date on which any action is taken under the Certificate upon the approval of counsel other than ourselves.

4. Interest on the Tax-Exempt Bonds is not a specific preference item for purposes of the federal individual or corporate alternative minimum tax. The Code contains other provisions that could result in tax consequences, upon which we render no opinion, as a result of ownership of such Bonds or the inclusion in certain computations (including without limitation those related to the corporate alternative minimum tax) of interest that is excluded from gross income.

5. The excess, if any, of the amount payable at maturity of any maturity of the Tax-Exempt Bonds over the initial offering price of such Bonds to the public at which price a substantial amount of such maturity is sold represents original issue discount which is excluded from gross income for federal income tax purposes to the same extent as interest on the Tax-Exempt Bonds. The Code further provides that such original issue discount excluded as interest accrues in accordance with a constant interest method based on the compounding of interest, and that a holder's adjusted basis for

purposes of determining a holder's gain or loss on disposition of Tax-Exempt Bonds with original issue discount will be increased by the amount of such accrued interest.

The rights of the owners of the Bonds and the enforceability thereof may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted, to the extent constitutionally applicable, and the enforcement of related contractual and statutory covenants of the City and the State may also be subject to the exercise of the State's police powers and of judicial discretion in appropriate cases.

The opinions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions. Such opinions may be adversely affected by actions taken or events occurring, including a change in law, regulation or ruling (or in the application or official interpretation of any law, regulation or ruling) after the date hereof. We have not undertaken to determine, or to inform any person, whether such actions are taken or such events occur and we have no obligation to update this opinion in light of such actions or events.

Very truly yours,
