

COMMUNITY

The Law Department's compassionate actions are evident each day in our Committee work. Bolstered by dedicated Chairs and our staff, the office's five Committees impact in critical ways, including hosting year-round educational and community-building events. The Diversity, Equity and Inclusion Committee; the Women's Committee; the Quality of Work Life Committee; the Community Service Committee; and the Innovation and Strategy Council band together to bring positive change here – and beyond. We celebrate each other's diversity at identity and heritage month celebrations, with a particular highlight being our officewide Annual Diversity Potluck Lunch.

“The greatness of a community is most accurately measured by the compassionate actions of its members.”

Coretta Scott King

Outside of the office, we connect through sports leagues, tournaments and interesting clubs like chess, all with an eye toward building an esprit de corps. Moreover, our colleagues' hearts shine in our Community Service Committee's actions. Volunteer events include building houses for Habitat for Humanity, preparing food for God's Love We Deliver, painting murals at local schools and planting trees Citywide.

The Law Department's greatness comes from the bonds we forge while working collaboratively and compassionately. We enjoy coming together on a personal level and showing our deep care for community around us.
