

Construction Advisory

Project # SANDTWOBR | Borough: Manhattan | Date Issued: 01/08/2026

The Brooklyn Bridge - Montgomery Coastal Resilience (BMCR) Project is an initiative to provide long-term flood protection on the south side of Manhattan.

Intermittent Road Closure on Market Slip, from South St. to Water St.

Starting the week of January 12, 2026
Continuing through the end of January
Monday - Friday, 7:00 am to 4:00 pm

To accommodate the installation of the trunk water main, intermittent daytime closures are required on Market Slip between South Street and Water Street.

For your safety, please follow on-site signage and flaggers.
