

Project # SANDTWOBOR | Borough: Manhattan | Date Issued: 03/12/2024

The Brooklyn Bridge - Montgomery Coastal Resilience (BMCR) Project is an initiative to provide long-term flood protection on the south side of Manhattan.

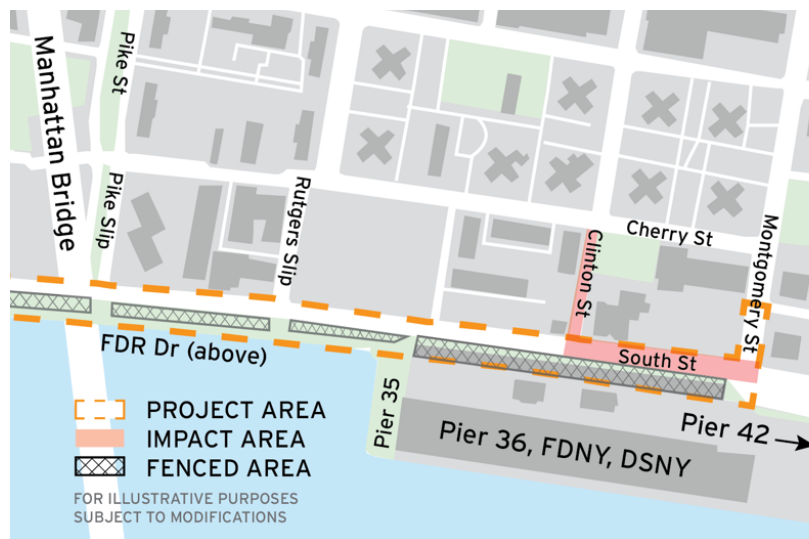

Water Main Upgrades

**South St., Clinton St. to Montgomery St.
Requiring a shutdown on:**

- Clinton St., South St. to Cherry St.
- South St., Clinton St. to Montgomery St.

**Starting the week of March 25, 2024
for approximately two (2) weeks**

To improve the water distribution system, the existing water mains will be replaced in sections along South Street. Official DEP notices with instructions will be provided before any service interruptions. For your safety, please follow on-site signage and flaggers.
