

Project # SANDTWOB | Borough: Manhattan | Date Issued: 04/12/2023

The Brooklyn Bridge – Montgomery Coastal Resilience (BMCR) Project is an initiative to provide long-term flood protection on the south side of Manhattan.

Closure of Pedestrian Walkway from Dover Street to Catherine Slip

Starting the week of April 22, 2024 ongoing until further notice

Due to congestion of construction equipment inside the fencing along the esplanade between Dover St. and Catherine Slip, the contractor must close the pedestrian path. Please use the sidewalk on the southbound side of South Street as an alternative, crossing at Dover St. and Catherine Slip.
