

Project # SANDTWOBRR | Borough: Manhattan | Date Issued: 08/07/2025

The Brooklyn Bridge – Montgomery Coastal Resilience (BMCR) Project is an initiative to provide long-term flood protection on the south side of Manhattan.

Sewer Chamber Installation

South St., between Rutgers Slip and Clinton St.

Starting the week of August 11, 2025
for up to five (5) weeks

To accommodate the installation of the Sewer Chamber in South Street, a water service interruption at 275 South St. will be necessary for 1-2 days during working hours (9am to 5pm). An official DEP notice, with instructions, will be provided before any water shutdown.

For your safety, please follow on-site signage and flaggers.
