

Project # SANDTWOBRR | Borough: Manhattan | Date Issued: 09/11/2025

The Brooklyn Bridge - Montgomery Coastal Resilience (BMCR) Project is an initiative to provide long-term flood protection on the south side of Manhattan.

Vehicle & Pedestrian Traffic Shift At South Street and Robert F. Wagner Sr. Place Beginning Monday, September 15, 2025 Ongoing until further notice

To safely accommodate the next phase of flood protection construction, pedestrian and vehicular traffic in the intersection of South St. and Robert F. Wagner Sr. Pl. will be shifted. Pedestrian traffic will be shifted west. Northbound and southbound vehicle traffic will be shifted east, under the FDR Drive. For your safety, please follow on-site signage.
