

Project # SANDTWOBOR | Borough: Manhattan | Date Issued: 03/17/2023

The Brooklyn Bridge - Montgomery Coastal Resilience (BMCR) Project is an initiative to provide long-term flood protection on the south side of Manhattan.

Water Main Upgrades

South St., from Pike Slip to Market Slip

Starting the week of March 27, 2023

for approximately three (3) weeks

To improve the water distribution system, the existing water mains will be replaced in sections along South Street. Official DEP notices with instructions will be provided before any service interruptions. For your safety, please follow on-site signage and flaggers.
