

Project # SANDTWOBRR | Borough: Manhattan | Date Issued: 07/03/2025
The Brooklyn Bridge - Montgomery Coastal Resilience (BMCR) Project is an initiative to provide long-term flood protection on the south side of Manhattan.

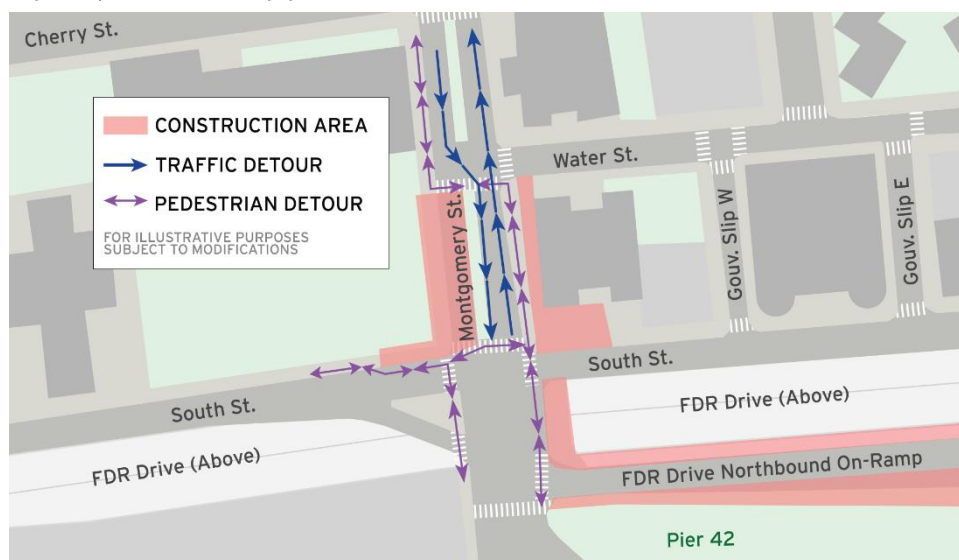

Sidewalk Closure & Intermittent Traffic Detour

Montgomery Street, between South St. & Water St.

Starting the week of July 7, 2025

Ongoing for about nine (9) weeks

Flood protection work requires parking and sidewalk restrictions on the south lane of Montgomery Street, between South Street and Water Street. Two-way alternating traffic will be moved into the north lane, as needed during work hours (Monday to Friday, 7am to 4pm). Pedestrian access available on the north side of Montgomery St. Bicyclists must share the road. The Cherry Street entrance to P.S. 184 will not be impacted. For your safety, please follow on-site signage and flaggers.
