

# Construction Advisory

Project # SANDTWOBR | Borough: Manhattan | Date Issued: 11/14/2025

The Brooklyn Bridge - Montgomery Coastal Resilience (BMCR) Project is an initiative to provide long-term flood protection on the south side of Manhattan.

## Trunk Water Main Installation

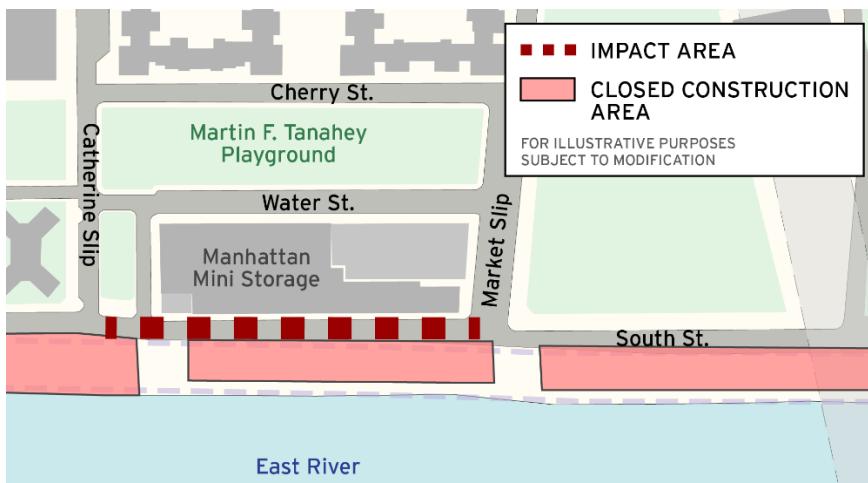

### South St., Catherine Slip to Market Slip

#### Requiring water shutdowns:

- Catherine Slip, South St. to Water St.
- South St., Catherine Slip to Market Slip.

**Starting the week of November 17, 2025, ongoing for up to two (2) days**

The water main service will be interrupted to allow installation of the trunk water main system. Official DEP notices with instructions will be provided before any service interruptions. Residences are not anticipated to be impacted, and water service will be restored at the end of each day. For your safety, please follow on-site signage and flaggers.
