# PUBLIC ENGAGEMENT AND OUTREACH:

CB1 is pushing for more public engagement...

We have seen at meetings this month that the city is moving ahead with many projects and in our advisory role we want to have our seat at the table.

Ask your neighbors and friends to sign up on our mailing list (on the attendance sheet) or follow us on FB and Twitter!

# NEW UPDATES....

- THERE WAS A RULING ON MONDAY ON THE BBJ!
- Judge Kelley's Decision in favor of NUBC and the rest of the Petitioners against the City annuls the City's resolution to build the Manhattan BBJ and he issued an injunction prohibiting any physical steps to effectuate construction of the Manhattan BBJ pending six conditions.
  - New Site Scoping sessions with Public Notice
  - Appropriate Public Comment Period
  - Amended DEIS, Traffic Impact Studies with Reasonable Alternatives to the Proposed Site
  - Appropriate Public Comment Period for the DEIS
  - Preparation and Circulation of an Amended FEIS
  - Preparation and Circulation of a NEW SEQRA Finding Statement
- Thank you to all our community stakeholders for your hard work and leadership. We need to keep on this because it is a tremendous effort to make the City follow its own laws and engage the community lawfully as it is required to.
- This is a victory for public input and engagement ....so we start again.
