Dear Parents,

In light of the ongoing partial US government shut down, many government employees have now been working for 21 days without pay. We thank them for their service.

Manhattan Youth would like to do its part to pitch in and help those affected in our community. If you, or someone you know, is a federal employee in need of childcare from 3-6 pm, we can help.

Beginning Monday, January 28th we will have a limited number of slots available for children in grades K-5 and 6-8 for federal employees reporting to work who can get their children to one of our after-school sites.

For more information or to reserve a slot, please contact:

Moises Cordero	Grades K-5	moises@manhattanyouth.org
Lenya Madison	Grades 6-8	leyna@manhattanyouth.org

Please remember that you need to be a federal employee reporting to work. The sooner you contact us, the better. Our availability is limited.

In Solidarity,

Bob Townley
Founder and Executive Director
