Dear Community Board Members,

We are happy to inform you that an Open Streets location is being considered for approval in your district. New York City's Open Streets program transforms streets into public space open to all. These transformations allow for a range of activities that promote economic development, support schools, and provide new ways for New Yorkers to enjoy cultural programming and build community. For more information about the program, visit the program's website at [nyc.gov/openstreets](https://nyc.gov/openstreets).

The Open Street is located on AVENUE B from EAST 6<sup>th</sup> STREET to EAST 14<sup>th</sup> STREET and operates on the dates, days and times listed in the tables below. It is a Limited Local Access type of Open Street. The New York City Department of Transportation (DOT) will work with Loisaída Open Streets Community Coalition, the agency's community partner, on the safe and successful execution of this Open Street location.

Dear Community Board Members,

We are happy to inform you that an Open Streets location is being considered for approval in your district. New York City's Open Streets program transforms streets into public space open to all. These transformations allow for a range of activities that promote economic development, support schools, and provide new ways for New Yorkers to enjoy cultural programming and build community. For more information about the program, visit the program's website at [nyc.gov/openstreets](https://nyc.gov/openstreets).

The Open Street is located on STANTON STREET from ALLEN STREET to LUDLOW STREET and operates on the dates, days and times listed in the tables below. It is a Limited Local Access type of Open Street The New York City Department of Transportation (DOT) will work with Lower East Side Partnership, the agency's community partner, on the safe and successful execution of this Open Street location.
