

April 10, 2026

Susan Stetzer
District Manager, Manhattan Community Board 3
59 East 4th Street,
New York, NY 10003

Dear Susan Stetzer:

We are happy to inform you that an Open Streets location has been provisionally approved in your district. New York City’s Open Streets program transforms streets into public space open to all. These transformations allow for a range of activities that promote economic development, support schools, facilitate pedestrian and bike mobility, and provide new ways for New Yorkers to enjoy cultural programming and build community.

The Open Street is located on CANAL STREET from ESSEX STREET to ORCHARD STREET and is proposed to operate on the dates, days, and times listed in the tables below. It is a Full Closure type of Open Street. The Department of Transportation will work with Canal Street Merchants Association Inc., the agency’s community partner, on the safe and successful execution of this Open Street location.

Upon review of the Open Street application, the Department of Transportation has determined that a 5 day a week schedule is operationally feasible at this location. However, the Department of Transportation considers feedback from the Community Board, elected officials, and other local stakeholders to determine the days and times that would be appropriate for this Open Street location on a weekly basis.

Table with 2 columns: Start Date, End Date. Values: 4/22/2026, 10/31/2026

Table with 3 columns: Days of the Week, Start Time, End Time. Rows for Monday through Sunday with specific times.

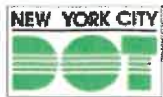

This letter serves as formal notification that the following location has received provisional approval by NYC DOT and its city agency partners to participate in the Open Streets program. The final phase of the approval process includes an opportunity for community input and public comment. A 45-day public notification period, beginning on the date indicated at the top of this notice, has been designated to receive feedback. We welcome your insight and input as local stakeholders, especially as it pertains to the weekly schedule that the local community prefers.

Location or program feedback can be directed to my office by calling 212-839-6210. For more information about the program, visit the program's website at [nyc.gov/openstreets](http://nyc.gov/openstreets).

Thank you,

A handwritten signature in black ink, appearing to read "Danielle Zuckerman".

March 24, 2026

Susan Stetzer
District Manager, Manhattan Community Board 3
59 East 4th Street,
New York, NY 10003

Dear Susan Stetzer:

We are happy to inform you that an Open Streets location has been provisionally approved in your district. New York City's Open Streets program transforms streets into public space open to all. These transformations allow for a range of activities that promote economic development, support schools, facilitate pedestrian and bike mobility, and provide new ways for New Yorkers to enjoy cultural programming and build community.

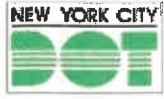

This letter serves as formal notification that the following location has received provisional approval by NYC DOT and its city agency partners to participate in the Open Streets program. The final phase of the approval process includes an opportunity for community input and public comment. A 45-day public notification period, beginning on the date indicated at the top of this notice, has been designated to receive feedback. We welcome your insight and input as local stakeholders.

The Open Street is located on JEFFERSON STREET from EAST BROADWAY to HENRY STREET and operates on the dates, days, and times listed in the tables below. It is a Limited Local Access type of Open Street. The Department of Transportation will work with Office Ho Jonot LLC (dba LES Enfants de Boheme), the agency's community partner, on the safe and successful execution of this Open Street location.

Table with 2 columns: Start Date, End Date. Values: 4/15/2026, 11/30/2026

Table with 3 columns: Days of the Week, Start Time, End Time. Rows for Monday through Sunday with corresponding times.

Location or program feedback can be directed to my office by calling 212-839-6210. For more information about the program, visit the program's website at [nyc.gov/openstreets](http://nyc.gov/openstreets).

Thank you,
