At its September 2022 monthly meeting, Community Board 3 passed the following resolution:

Applicants Granted Administrative Approval Beer/Wine Licenses May Not Apply For A Class Change Or Extension Of Hours Until Having Completed One Year Of Operation

WHEREAS, Community Board 3 created a category of administrative approvals for beer/wine licenses for businesses that close by midnight; and

WHEREAS, the purpose of the administrative approval is to encourage businesses to close early to address the issue of late-night noise as well as to streamline the process for both applicants and CB 3; and

WHEREAS, to ensure that administrative approvals are not used to gain support for a license only as a first step for a higher-impact license; so

THEREFORE, BE IT RESOLVED that applications for change in class to full on-premises licenses or a change in hours for beer/wine licenses supported by administrative approval will require one year of operation before consideration.
