Administrative Approval Policy for Certain SLA Applications

Certain applications can be administratively approved without the applicant attending the committee meeting. Eligible applications are those that have no complaint history or community impact and generally include restaurants and food-service businesses, such as pizza and coffee shops. If the location is vacant, a history of complaints for the location will be considered.

- 1) **Alterations** - Any alteration that will not impact the community may be administratively approved. For example, creating storage space or moving a bar may be administratively approved. This also includes the longstanding CB 3 policy of administratively approving an alteration to extend a liquor license to a sidewalk café that has been approved at committee unless specifically stated otherwise.
- 2) **New licenses** - Applications for beer wine licenses closing by 12:00 a.m. all days. This will not apply to any application that includes outdoor use other than a pre-existing sidewalk café. The new café must have the same or lesser hours and seating except when applying for sidewalk and/or roadbed dining as allowed by the temporary Open Restaurants program but will close all outdoor dining by 10:00 p.m. all days and not have any music, speakers or tv monitors. There will not be commercial use of backyard, sideyard, or rooftop. Any approved outdoor space will close no later than 10:00 p.m. The general criteria for new licenses must also be agreed upon (see table on next page).
- 3) **Restructuring of a business** where some or all of the same people operating the existing business will continue to operate the same business with existing or more limited stipulations.
- 4) **Various license applications that have no impact**, such as a museum or gallery special event or catering, etc., or for businesses that do not serve liquor to the public on a daily basis.
- 5) Other applications not noted here if determined by the committee chair.

The applicant will be given a "SLA EXPRESS" notice to post on the proposed location to announce the application and provide contact information. This notice must be posted for 7 days prior to the committee meeting. Applicants not heard at committee and residents are still encouraged to meet.

DISCLAIMER: CB 3 may determine after reviewing the method of operation, or if there are resident concerns, that it is necessary for the application to be heard at the committee meeting. If the application is heard by committee, any previously agreed upon stipulations will be invalidated.
