SITE PHOTOS

SECTION 1: Site Plan

- This Site Plan form is required to be uploaded in the "Roadway Site Plan" field of your online application.
- Refer to the How to Apply page in the Dining Out NYC website for more information about the application process.

Identify Permitted Parking Location:

- Identify the Parking Sign in front of or around the area where your roadway setup would be located.
- Roadway cafes can only be placed in:
 - 1. Parking spaces, which include: metered and non-metered spaces, commercial parking, alternate side parking, angled parking, and seasonally restricted parking.
 - 2. Loading areas, including loading only, truck loading, hotel loading, and no parking zones.
 - 3. Floating Parking Lane- a parking lane that is separated from the curb by a protected bicycle lane that is adjacent to the curb.
