Albatross Restaurant Corp
d/b/a Nebbiolo
110 St. Marks Place, New York, N.Y.

Although we do not anticipate congestion problems, since we are running this establishment as a restaurant only, we will closely coordinate with our staff to insure that none of our customers loiter outside of our establishment, either prior to or after eating their dinner. Either the principal or the manager will be outside to supervise the area outside the restaurant in case any congestion problem arises.

There is no stand up bar on the premise so our customers will only be coming for the food and the only alcohol served will be to the customers seated at the tables, having a meal.

We are a neighborhood restaurant catering to local clientele and do not feel that we will be attracting a crowd from areas outside the premises whereby customers would be driving to the restaurant, causing congestion problems.
