Ladies/ Gentlemen:

Attached hereto is a Notice to CB3 concerning a change in the method of operation. This letter will serve as a more detailed explanation of the proposed changes.

The licensee was under the belief that it had a license that it had a license that went to 4am. The premise has had a license that dates back to before 1992 and did exist with a license that operated until that time. It turns out that the current license has a 2am closing. The licensee is merely asking to have the hours extended to what it believed it was allowed to have.

It should also be noted that since the licensee has been in existence for many years, it filed an application with different questions asked under the method of operation that existed when the application was filed. The premise is a restaurant/lounge that features Moroccan food. As part of its atmosphere, it has a DJ and sometimes features live music that is Moroccan. There is also times when a belly dancer performs, which again is part of the Moroccan theme.

It should be noted that the within licensee has been in business since 2005 and has not been the subject of any major of disciplinary action. It runs a friendly neighborhood premises and is well received in the area.

It is hoped that CB3 recognizes that the licensee is a good neighbor and will continue to act in a professional manner with the proposed changes.

If there are any questions concerning the above, please contact the undersigned.
