Court Leak Stokes Abortion Fight

Chief justice confirms authenticity of draft opinion; both sides get ready for possible shift

By JESS BRAVIN
AND BRENT KENDALL

WASHINGTON—Chief Justice John Roberts ordered an investigation Tuesday into the leak of a draft Supreme Court opinion overturning Roe v. Wade, the 1973 ruling recognizing abortion rights for women, as the breach sent tremors through the court, Congress, the White House and state capitals.

The draft, while genuine, is far from final, Chief Justice Roberts said. As written, though, it would again allow states to outlaw abortion, a rare instance that the high court would rescind a constitutional right that it granted.

The leak mobilized forces on both sides of the issue to protest in front of the court on Tuesday, while abortion advocates

Hundreds of demonstrators for and against abortion rights protested outside the Supreme Court on Tuesday.
