I support GHD Inc. Keybar in their liquor license application because:

- Keybar has been performing their business in a professional and acceptable manner and without any issues in the building since 2002
- The owners, Attila Draviczki and Gyula Bertok, are always hands on, very personable and responsive
- The owners and the staff continue to maintain an excellent relationship with all the residents and are easily available at any time.
- Both the owners and staff respond immediately to any issues and partner with the tenants for a quick and satisfying resolution
- Keybar has always been able to control their customers, the indoor and outdoor noise and maintain a clean sidewalk in front of the building.
- Keybar has been a long appreciated and vibrant part of our 13th street and the East Village community.

With my signature, I support Keybar's liquor license application.
