1. THE NEW YORK CITY DEPARTMENT OF HUMAN SERVICES (DOH) is currently conducting a health and safety inspection of the building. This inspection is part of a larger effort to ensure that all buildings in the city are safe and healthy for their residents.

2. The inspection will take place on Thursday, February 24, 2022, at 10:00 AM. The inspection will be conducted by a DOH inspector and a representative from the building's management.

3. The inspection will focus on the building's ventilation system, which is critical for the health and safety of the residents. The inspector will check the system's components, including the filters, ducts, and fans, to ensure they are working properly.

4. The inspection will also include a visual inspection of the building's exterior, including the roof, walls, and windows, to ensure they are in good condition.

5. The inspection is free of charge and is required by law. The building's management is responsible for scheduling the inspection and providing access to the building.

6. If you have any questions or concerns about the inspection, please contact the building's management at (212) 312-1234.
