To the East Village Community Coalition:

Hi, my name is Andrew Loscalzo, President of D&S Dining Group and Owner of Salumeria Rosi on the Upper West Side.

I am reaching out, as my team and I are currently in the process of applying for a liquor license for SR222 LLC. We are opening a second Salumeria Rosi at [222 Avenue B](#), where The Roost, currently resides (the owners are closing the bar). We are planning to open an Italian neighborhood restaurant on the premises, much like our restaurant on the Upper West Side, which was established in 2008. We are excited to be opening in the East Village and believe in fostering community, welcoming guests of all orientations and genders, just like The Roost has for many years.

Our hours of operations will be from 7am-Midnight (Sun-Wed) and 7am-2am (Thur-Sat). We will offer a cafe with Italian coffee and a bakery, fresh pressed paninis, cured meats, cheeses and gourmet goods throughout the day along with a full service restaurant and bar opening at Noon. The restaurant will offer lunch, dinner and brunch on weekends.

We will provide a limited amount of roadway and sidewalk seating.

Our music will be recorded background music so that our guests can dine and converse comfortably.

I will be attending the March Community Board meeting on 3/11/24.

Just as I have fostered great relationships with my neighbors on the Upper West Side, I would love to do the same with you and welcome the

opportunity to meet you to introduce myself, perhaps over coffee? Let me know if you would like to meet. Alternatively, I am available by cell (203) 554-7824, to discuss the project further.

Thank you for your attention, I look forward to hearing from you.

Kindly,
Andrew
