To whom it may concern

I am a member of DeColores Community Yard, a community garden located on East 8th St between avenues B and C.

I am writing in support of Sabina and Wally reopening B Side Bar on Avenue C. They are a kind and community-oriented family who would be a great addition to the neighborhood. They have always shown respect for their neighbors and all those around them. Also, seeing them with their three kids is a joy.

As a community garden we always try to have a good relationship with the businesses around us. The support goes both ways. We have events and festivals in the gardens and which the businesses support in many ways, including sharing our events with their customers and letting us use their facilities (as there are none in the gardens). After garden events we often support local establishments and decompress.

The fact that they would open at noon would be a big convenience.

I am writing this letter on behalf of myself and other garden members including Debra, Sandy, Doug, Charlie, Mark

Sincerely,

A handwritten signature in black ink, appearing to be 'Rosa Goldstein', with a long horizontal flourish extending to the right.
