Dear Charles Krezell

My partners and I own a small Italian Restaurant at [198 Allen St](#), named Fossetta. We are open for lunch, brunch and dinner. We open for lunch at 11am, Monday - Friday and Brunch at 10am on weekends. We close each night at 10pm, Sunday - Thursday, and 11pm on Friday or Saturday.

We initially applied for and received a beer and wine license. Our beverage program is focused on natural wines, a few local beer options, non-alcoholic options, espresso and tea. However, in our first year, we have found that many of our diners request a liquor-based cocktail before their wine with dinner, or maybe wine is not the alcohol of choice for everyone at a given table. As such, we are currently in the process of applying for a full liquor license. It is not our intention to be open super-late and we do not attract a raucous crowd. We are definitely a restaurant, not a bar, and can only support up to 57 guests in our space at any given time.

We hope to be a positive asset to the neighborhood and surrounding community. We participated in The Taste of LES fundraiser in our first year and hope to continue to participate going forward. As we get our feet more solidly underneath us, we hope to participate in other neighborhood events and local charitable organizations. Additionally, I would like to note that we have been operating for a year without any violations or incidents.

We are reaching out to ask for your support and a letter of recommendation for our full liquor license. If you have questions regarding Fossetta and/or our pursuit of a full liquor license, I can be reached via email @ this email address (josh@fossetta-nyc.com). If you would like for me to come meet you in person, please let me know and we can set up a time where you could either come to the restaurant or I could meet wherever is most convenient for you.

Our online Community Board meeting is scheduled for November 18th @ 630pm.

Thank you for your time. We hope to hear from you soon.

Cheers!
