3. Request that DOT perform pedestrian safety study for intersection at 10th St and Avenue C
VOTE: TITLE: Request that DOT perform pedestrian safety study for intersection at 10th St and Avenue C

WHEREAS, on February 6, 2024, Merle Ratner, an East Village resident well known for her community and social justice activism, was hit, and killed by a tow truck at the intersection of Avenue C and East 10th Street in Community District 3, which generated calls from residents for safety measures at this intersection with a history of traffic accidents; and

WHEREAS, a review of traffic accidents at this intersection revealed a history of being consistently dangerous for both pedestrians and motorists alike: there has been a total of 13 collisions between March 2019 and March 2024 resulting in 10 injuries and 2 deaths¹ due to Driver Inattention/Distracted and Improper Passing or Lane Usage, making it one of the most dangerous intersections in the East Village; and

¹ Jones-Hall, V., Community Ambassador Manhattan South, NYPD. Email communication re: 5-7-9 Precinct Accident Reports and Collision Prone Locations 2019-2024 YTD, April 11, 2024.

WHEREAS, the street geometry at the intersection is irregular with both 10th St and Avenue C changing width on either side. The double yellow line does not line up as you pass through the intersection and DOT has painted dashed lines through the intersection to help vehicles, buses, and bicycles visualize where they should be going; and

WHEREAS, the two fatalities occurred 5 months apart (9/4/23 and 2/5/24) and highlight a pressing need for safety measures in the intersection before more collisions result in fatalities; so

THEREFORE, BE IT RESOLVED that Community Board 3, Manhattan requests that DOT perform a pedestrian safety study based on the police reports on the many incidents for the intersection at East 10th Street and Avenue C to implement pedestrian and vehicle safety measures.

4. LES Ecology Center: Request for support for restoration of funding for the NYC Compost Project

VOTE: TITLE: Request for support for restoration of funding for the NYC Compost Project

WHEREAS, The NYC Compost Project was created by the NYC Department of Sanitation (DSNY) in 1993 to rebuild NYC's soils by providing New Yorkers with the knowledge, skills, and opportunities needed to make and use compost locally and implemented by DSNY-funded teams including Lower East Side Ecology Center; and

WHEREAS, the Lower East Side Ecology Center provides food scrap collection in CB3, as well as outreach and education, and is part of a network of 200 drop-off sites; and

WHEREAS, the Executive Budget is cutting 100% of the funding for NYC Compost Project, which will result in the elimination of all community composting and outreach programs and the loss of 115 green jobs in NYC; and

WHEREAS, community composting in NYC provides local compost processing capacity and is critical to education of NYC residents on the benefits and necessity of composting; and

WHEREAS, community composting programs offer free finished compost to parks and community groups for local stewardship of street trees, rain gardens and other public green spaces; so

THEREFORE, BE IT RESOLVED that CB3 believes the full funding in fiscal year 2025 and beyond, of the NYC Compost Project by Department of Sanitation is necessary for overall health of our environment including climate adaptation and resiliency.

6. Parks: Presentation on proposed plan for renovation of Corlears Hook Park playground

VOTE: TITLE: Support for the Corlears Hook Playground Renovation

WHEREAS, Department of Parks and Recreation has proposed plans for the renovation of the Corlears Hook Playground as part of the East Side Coastal Resiliency, located on Jackson Street, Cherry Street, and FDR Drive in Community District 3 that aim to address the following goals:

- Create a thriving public space with options for passive and active recreation,
- Upgrade play equipment for 2-5 and 5-12 year old play areas,

- Provide spray shower for summer cooling and recreation,
- Develop a passive seating area and gathering space,
- Provide interactive play elements such as game tables or ping pong; and

WHEREAS, the following Project Priorities were identified at the Parks Partners Listening Session: Play, Security, Water, Green, Seating, and Adult Features; and

WHEREAS, the proposed plan will include the following to address community issues:

- More site lighting, and create a buffer between play area and dog run,
- Create water play areas and install a drinking fountain with bottle filler,
- Preserve existing trees and add new canopy and ornamental trees,
- Increase permeability from 11% to 19% with increased permeable surfaces and site appropriate resilient plant material, among other sustainable practices,
- Add more benches, tables, and accessible seating; and

WHEREAS, \$1 million in capital budget allocations for the project (\$450k from Councilmember Carlina Rivera in FY21 and \$550k from Borough President Gale Brewer in FY22) has already been secured; so

THEREFORE, BE IT RESOLVED, that CB3 supports the renovation of Corlears Hook Playground with the following conditions:

- Adding additional Big Belly trash cans or similar waste receptacles
- Adding seatbacks to some of the seating areas
- Continuing the outreach to local neighbors and CB3 throughout the design and construction
- Installing a decorative fence as a buffer between the play area and the dog run; and

THEREFORE, BE IT FURTHER RESOLVED, that the \$1 million already earmarked for this project should be used to supplement any additional costs of the playground renovation and/or for other capital improvement projects within Corlears Hook Park.
