6. Tinto (Tinto LLC), 41 Monroe St (op)

**VOTE: TITLE: Community Board 3 Recommendation To Deny because the applicant refused to sign the Stipulations**

**WHEREAS**, Tinto LLC doing business as Tinto, is seeking a full on-premises liquor license, in the premises located at 41 Monroe Street, between Market and Catherine Streets, New York, New York; and

**WHEREAS**, this is an application for an establishment with of 74 people, 6 tables and 16 seats with 1 bar with 6 counter seats, Full Kitchen, serving food during all hours of operation no TVs and background level streamed music; and

**WHEREAS**, there are 8 full on-premises liquor licenses within 500 feet per the SLA LAMP map; and (only for full liquor and if there are more than 3 full op licenses). This info comes from questionnaire

**WHEREAS**, the location was previously an unlicensed coffee shop; and

**WHEREAS**, the applicant has never previously been a license holder but has worked in this business for within the CB3 area as a bartender and a manager; and

**WHEREAS**, we received an email in opposition from a resident with concerns about late night noise and crowds in the area. Four residents that live in the immediate area spoke in opposition due to this being a residential area and the other businesses in the area are already causing problems, and a 2AM closing is too late. A resident of the Two Bridges Community Association spoke and stated that they are not opposed to a café opening, although they are concerned about the hours until 2AM, they are not aligned with the neighborhood. This is a quiet residential neighborhood. They would support hours of 12AM during the week and 1AM on the weekend, but not later.

**WHEREAS**, 19 residents who live within two blocks of the location signed a petition in favor of the application; and

**WHEREAS**, this a quiet residential area and recently some licensed businesses have opened in the area and are beginning to cause some quality-of-life concerns. Although this appears to go against our community board guidance of not adding a license that will increase the impact on the community, we are approving this application only because the applicant agreed to earlier closing hours of 12AM during the week and 1am Friday and Saturday and assured us that it will be a quiet business, with no noise, will not have a line, and will not have people hanging around outside, and have no impact on the community, in an effort to help address these concerns; and

**WHEREAS**, after the meeting the applicant refused to sign the stipulations that she agreed to at the meeting,

**THEREFORE, BE IT RESOLVED** that Community Board 3 recommends the denial of the application for a full on-premises liquor license for Tinto LLC, for the premises located at 41 Monroe Street, New York, New York, because the applicant refused to agree to the following stipulations that:

- 1) it will operate as a Café and Bistro, with Full kitchen serving food at all hours,
- 2) its hours of operation will be opening no later than 9:00 A.M. and closing by 12:00 A.M. Sunday – Thursday, and 1:00 AM Friday and Saturday,
- 3) it will not use outdoor space for commercial use,
- 4) I will not employ a doorman/security personnel,
- 5) it will install soundproofing to ensure that sound or vibration are inaudible in nearby apartments,

- 6) it will close any front or rear facade doors and windows at 10:00 P.M. every night or when amplified sound is playing, including but not limited to DJs, live music and live non-musical performances, or during unamplified live performances or televised sports,
  - 7) it will play ambient background music only, consisting of recorded music, and will not have live music, DJs, promoted events, scheduled performances or any event at which a cover fee will be charged,
  - 8) it will not apply for any alteration in its method of operation or for any physical alterations without first appearing before Community Board 3,
  - 9) it will not host pub crawls or party buses,
  - 10) it will not have unlimited drink specials, including boozy brunches, with food,
  - 11) it may have "happy hours" until 7:00PM each night,
  - 12) it will ensure that there are no wait lines outside and will designate an employee for ensuring no loitering, noise or crowds outside,
  - 13) it will conspicuously post this stipulation form beside its liquor license inside of its business, and
  - 14) it will provide a telephone number for residents to call with complaints and immediately address any resident complaints.

withdrawn

17. DJF Collective LLC, 422 E 9th St (op)

**VOTE: TITLE: Community Board 3 Recommendation To Deny**

**WHEREAS**, DJF Collective, LLC is seeking an full on-premises liquor license, in the premises located at 422 E. 9th Street, between First Avenue and Avenue A, New York, New York; and

**WHEREAS**, this is an application for an establishment with up to 74 people, 13 tables and 46 seats, including one stand-up bar, with a less than full service kitchen but serving food during all hours of operation, no televisions, and small speakers playing music at background volume; and

**WHEREAS**, there are 29 full on-premises liquor licenses within 500 feet per the SLA LAMP map; and

**WHEREAS**, this location is currently unlicensed, but from 2010-2022, the craft beer establishment "Good Beer" was here with a Beer/Wine license; this business, which was primarily a retail off premises business, closed at 10pm on weekends and 7pm during the week. After that establishment closed, it was an illegal cannabis store, which has subsequently closed; and

**WHEREAS**, applicants do not have hospitality experience in New York City and have never previously been license holders, but have worked in the hospitality industry in New Hampshire for, collectively, over 12 years; and

**WHEREAS**, 75 residents who live within two blocks of the location signed a petition in favor of the application; and

**WHEREAS**, We received a letter of opposition from the 9th St Block Association as well as 59 petition signatures from residents in the immediate area in opposition, due to no public benefit to adding a full license in this space, specifically because of the late hours in a space that has never had a full license which would bring noise and people on the street to a residential side street in an area that is already oversaturated with licenses. We received letters from the North Avenue A Neighborhood Association as well as the East Village Community Coalition, expressing the same concerns; and

**WHEREAS**, The Community Board Guidance states that the goal is not to increase the impact on the community. In this case, the location is currently unlicensed in a saturated area, on a residential side street, that was only ever licensed for Beer/Wine, primarily retail, with very early closing hours, this application would greatly increase the impact on the neighbors by bringing additional late night noise and traffic to the street is clearly in conflict with the guidance. Residents reported that apartments on the block have bedrooms facing the street and any additional activity would be interfere with the quiet enjoyment of their apartments; and

**WHEREAS**, There is no public benefit to granting a license at this unlicensed location that would be serving items commonly found elsewhere in the neighborhood and would increase the impact on a residential side street that has never had this type of business. This location would not be zoned for this purpose if it was not already grandfathered;

**THEREFORE, BE IT RESOLVED** that Community Board 3 recommends the denial of the application for a full on-premises liquor license with late night hours, for DJF Collective, LLC for the premises located at 422 E. 9th Street, New York, New York. This is a previously unlicensed location and, due to the reasons detailed above, this application would have a negative impact on the neighborhood.

2. EDC & Delancey Street Associates: Discussion on new tenant at former Market Line space (site 2)  
**VOTE: TITLE: Request Further Analysis of Use Modifications for the Market Line Space in Site 2 at 115 Delancey Street**

**WHEREAS;** Community Board 3's (CB3) Essex Crossing Task Force was recently informed that Delancey Street Associates (DSA) seeks approval from New York City Economic Development Corporation (EDC) to amend its June 2015 operating agreement for Site 2 to permit the former Market Line space's conversion into a big box retail space for Burlington Coat Factory;

**WHEREAS;** such former Market Line space is recorded by the New York City Department of Finance as Block 352, Lot 1005, being 34,505 square feet in size;

**WHEREAS;** the operating agreement between EDC and DSA states in pertinent part that:

- Delancey Street Associates (specifically Site 2 DSA Owner LLC, Site 3 DSA Owner LLC, and Site 4 DSA Owner LLC) commits to making "good faith efforts to provide a dynamic mix of retail tenants, providing a balance between serving the needs of the local residents and workers and destination retail";
- Delancey Street Associates commits to "should the Market Line space fail, close or not consist of a mix of retail that {Delancey Street Associates} will provide at least 27 micro-retail spaces at street level of {Essex Crossing}...";
- Delancey Street Associates "commits to operate the Market Line...for a minimum period of 15 years"; and
- Delancey Street Associates commits to ensuring that "except for the supermarket/grocery store, retailers larger than 18,000 square feet will be located above or below the ground floor {and that} within {Essex Crossing} there shall be no more than 3 retailers larger than 18,000 square feet" and that retailers "will not exceed 30,000 square feet with the exception of a supermarket/grocery store, fitness center, and movie theater".

**WHEREAS;** a supermarket/grocery store (Trader Joe's), large-scale retailer inclusive of home goods (Target), movie theater (Regal), and fitness facility (Vital Gym) are currently operable within Essex Crossing;

**WHEREAS;** as previously stated in a resolution approved in October 2024, attached hereto, CB3 maintains a strong desire to ensure that Essex Crossing succeeds, its community benefit commitments are fully realized, and that the consensus codified by ULURP approvals and the revised UDAAP Project Summary are fulfilled;

**THEREFORE BE IT RESOLVED;** CB3 requests that EDC pause any approval of required amendments to the Site 2 operating agreement until there is a new mayoral administration in

2026 that would permit the former Market Line space's conversion into a big box retail space for Burlington Coat Factory;

**THEREFORE BE IT FURTHER RESOLVED;** CB3 requests that EDC acting on behalf of the City, its relevant departments including but not limited to the Department of Housing Preservation and Development, considers the following and conducts a feasibility analysis of the below:

- Determine if the southern portion of the former Market Line space adjacent to the staircase connecting Essex Market to such space, and providing connections to the new cultural institution that will operate in Site 3, can be absorbed by the City and/or a community-based not-for-profit organization that can maintain such space as an extension of Essex Market;
- Analyze the retail situations of other similar basement spaces;
- Conduct outreach to stakeholders that interface with local cultural and retail community;
- Determine if Burlington Coat Factory would find acceptable a modified retail footprint that is under the 30,000 square foot threshold established by the operating agreement, and;
- Determine if the underutilized urban farm on top of Essex Market can be better integrated with facility programming and be operated by the City and/or a community-based not-for-profit organization that can maintain such space as an extension of Essex Market.

**THEREFORE, BE IT FURTHER RESOLVED;** CB3 requests, regardless of the outcomes of the above referenced feasibility analysis, that EDC commit to the following, ensuring community benefit commitments are fully realized, and that the consensus codified by ULURP approvals and the revised UDAAP Project Summary are fulfilled:

- Extend and further enhance community-based programming supporting low to moderate-income residents, particularly seniors, students, and other underserved groups.
- Extend and further enhance monetary and other supports for the Fresh Bites program, which provides essential services to diverse local residents and extends access to SNAP benefits for affordable and healthy produce and grocery goods;
- Ensure that appropriate financial and programmatic support is provided to Essex Market vendors who are now the only micro-vendors open within Essex Crossing;
- Ensure that the Essex Kitchen and public mezzanine are primarily utilized for public use and community programming, and;
- Commit to perpetual subsidies so that Essex Market can provide the community benefit commitments made by the City that have not otherwise been fulfilled by Essex Crossing and/or Delancey Street Associates.

**THEREFORE BE IT FURTHER RESOLVED;** CB3 requests that EDC respond in writing and present the outcomes of its determinations about requests made in this resolution, which have modified requests made in the prior resolution from October 2024, before taking any actions, granting any approvals, or making any final commitments related to the alternate use of the former Market Line space.

2. CB3 Comments Regarding Manhattan Bridge Off Ramp and Canal Street Interim Safety Improvements

**VOTE: TITLE: Community Board 3, Manhattan, Request for Expeditious Safety Improvements to the Manhattan Bridge Off Ramp**

**WHEREAS;** the Manhattan Bridge lies within Manhattan Community District 3 ("CD3") feeding vehicles into the heart of Chinatown; and

**WHEREAS;** in the early morning hours of July 19, 2025, a driver killed two innocent residents, May Kwok and Kevin Cruikshank, when she sped off the Manhattan Bridge and jumped a

sidewalk into CD3 at the intersection of Canal Street and the Bowery. Ms. Kwok was sitting on a bench on unprotected pedestrian triangle and Mr. Cruikshank was biking nearby<sup>1</sup>; and

**WHEREAS;** less than 24 hours later another driver crashed into a food truck at the same location, injuring its operator as well as a passenger in the car; and

**WHEREAS;** following Ms. Kwok and Mr. Cruikshank's tragic and preventable deaths Community Board 3 ("CB3") signed onto a letter to Commissioner Ydanis Rodriguez stating the need for safety improvements for the Manhattan Bridge including lowering the speed limit on the bridge to 25 MPH, installing hardened barriers, and increasing the number of Leading Pedestrian Intervals along Canal Street<sup>2</sup>; and

**WHEREAS;** automated enforcement by red light and speed cameras in New York have shown to substantially make streets safer for drivers, passengers, and pedestrians alike<sup>3</sup>; and

**WHEREAS;** lowering speed limits in urban areas is found to save lives<sup>4</sup>; and

**WHEREAS;** for the past decade there have been five lanes of traffic from the Manhattan Bridge into Manhattan and only two going to Brooklyn with a speed limit of 35 MPH feeding into local streets with a 20 MPH speed limit with high pedestrian usage<sup>5</sup>; and

**WHEREAS;** in March 2021, CB3 requested improvements to the area and nearly five years later no meaningful changes have been made to address this until the tragic events of July 19, 2025<sup>6</sup>; and

**WHEREAS;** DOT has made several safety changes as presented at the September 9, 2025 CB3 Transportation Committee meeting including repairing existing infrastructure and installing jersey barriers and sand barrels in widened buffer, is in the process of lowering the speed to 20 MPH on the approach of the bridge to the Canal Street and Bowery intersection, and is considering additional pedestrian island barriers and other bridge operation changes; so

**THEREFORE, BE IT RESOLVED;** Community Board 3 requests that DOT expeditiously implement safety improvements to the Manhattan Bridge and the surrounding areas that may include:

- Lowering the speed limit on the Manhattan Bridge to match the speed limit of local roads;
- Post radar speed display signs showing vehicle speeds approaching Bowery and Chrystie Street intersections;
- Passive enforcement by red light and speed cameras to be installed with the new 2025 camera contract;
- Additional barriers are substantial enough to protect pedestrians from vehicles at high speeds at all corners of Canal Street and Bowery Street and including the eastern spur of the exit road;
- Evaluate the necessity of the number of inbound Manhattan lanes; and

**THEREFORE, BE IT FURTHER RESOLVED;** Community Board 3 Manhattan supports the expanding installation of speed cameras to be allowed on bridges with the expanded number of cameras to be installed in NYC to further improve enforcement.

5. Street Co-naming requests – Pike Street between Madison and Henry Streets to be co-named Salvatore and Eric Dellecave Way

**VOTE: TITLE: Street co-naming Salvatore and Eric Dellecave Way at Pike Street between Henry Street and Madison Street**

**Whereas**, the New York City Department of Environmental Protection (DEP) has requested co-naming of Pike Street between Henry Street and Madison Street, as "Salvatore and Eric Dellecave Way" in memory of two longtime Manhattan DEP employees, the late Salvatore and Eric Dellecave, a father and son who together led DEP Field Operations from the Pike Street Yard for decades.

**Whereas**, Salvatore Dellecave began his service with DEP in the late 1960s and dedicated over 40 years to maintaining and improving Manhattan's water and sewer infrastructure before retiring in 2008; and

**Whereas**, Eric Dellecave continued his father's legacy, joining DEP in 1995 and serving with distinction until his tragic passing from a heart attack in 2021 while still in service; and

**Whereas**, both Sal and Eric Dellecave were on duty at the Pike Street Yard on the morning of September 11, 2001, and provided critical assistance to the FDNY by maintaining hydrant access and water supply operations during the emergency response; and

**Whereas**, Pike Street served as a major staging area and multi-agency command post during the response and recovery efforts following the September 11th attacks; and

**Whereas**, the Dellecave family's more than 40 years of dedicated service exemplify the quiet professionalism, commitment, and public spirit that sustain New York City's essential infrastructure and emergency response capacity;

**Whereas**, no residential buildings face this block of Allen Street.; and

**Whereas**, this block of Pike Street is bordered by the DEP facility along the west side block face and Public School 2, The Meyer London School, along the east side block face; and

**Whereas**, the petition included a note from the Interim Acting Principal of Public School 2, The Meyer London School indicating no opposition from school faculty, and

**Whereas**, while this application does not fully meet Community Board 3's formal street co-naming guidelines, it generally meets the *spirit and intent* of the guideline recognizing individuals who, during their lifetimes, demonstrated extraordinary and consistent long-term commitment to benefit the community through public service, independent of any commercial interest, and who have been deceased for at least two years; and

**Therefore, be it resolved that** Community Board 3 supports the petition to co-name Pike Street between Henry Street and Madison Street, as Salvatore and Eric Dellecave Way.

6. Street Co-naming Request – Essex Street between Delancy and Rivington Streets to be co-named Jack Kirby Way

**VOTE: TITLE: Street co-naming Jack Kirby Way at Essex Street Between Stanton and Rivington Streets**

**Whereas**, Jack Kirby (1917–1994) was a first-generation American and lifelong New Yorker, born and raised at 147 Essex Street on the Lower East Side; and

**Whereas**, denied proper recognition during his lifetime—especially compared to his creative partner Stan Lee—Kirby's unbridled imagination, groundbreaking artistic innovation, and moral storytelling have inspired generations of New Yorkers, Americans, and people around the world; and

**Whereas**, Jack Kirby co-created some of the most iconic characters in modern culture, including Captain America, the Fantastic Four, the Hulk, Thor, Ant-Man, Iron Man, the Avengers, the X-Men, the Silver Surfer, Black Panther, the New Gods, and the Eternals, and also contributed to the creation of Spider-Man and Daredevil; and

**Whereas**, his creations continue to inspire and bring joy to millions of people across media—comics, animation, film, and television—as enduring symbols of hope, courage, social justice, and brotherly love; and

**Whereas**, a real-life hero himself, Jack Kirby was a decorated World War II veteran, awarded the Bronze Star for his service; and

**Whereas**, throughout his seven-decade career, Jack Kirby invented countless visual tools and hallmarks of the comic book artform, influencing artists and creators across generations and disciplines, including pop artists Roy Lichtenstein and Richard Hamilton, authors George R. R. Martin and Michael Chabon, and film directors George Lucas and Guillermo del Toro; and

**Whereas**, Kirby's connection to the Lower East Side is deeply significant: born Jacob Kurtzberg to Jewish immigrant-refugees from Austria, the neighborhood of his childhood shaped his worldview and infused his creative work; and

**Whereas**, the rooftop battles and street scenes that became staples of superhero comics were drawn directly from Kirby's own youth as a member of a Lower East Side gang during the Depression era; and

**Whereas**, Kirby's most autobiographical characters—such as the *Thing* from the *Fantastic Four*—hail from a fictionalized version of Delancey Street ("Yancy Street"), reflecting his lifelong pride in his Lower East Side roots; and

**Whereas**, immigrant life on the Lower East Side was further chronicled in Kirby's autobiographical comic *Street Code*, and thanks to his work across comics, film, animation, and video games, children and adults around the world have come to know and appreciate New York's Lower East Side, its people, and its history; and

**Whereas**, this proposal meets the *spirit and intent* of Community Board 3's street co-naming guideline on "Accomplishment during lifetime," recognizing individuals who demonstrated extraordinary and consistent long-term commitment to benefit the community, and who have been deceased for more than two years; and

**Whereas**, the applicant has submitted the required number of signed petitions in support of this co-naming, in accordance with Community Board 3's street co-naming application guidelines; and

**Whereas**, Jack Kirby's extraordinary accomplishments as an artist, storyteller, and veteran reflect both the creative and working-class legacy of the Lower East Side;

**Therefore, be it resolved**, that Manhattan Community Board 3 supports the co-naming of Essex Street between Stanton and Rivington Streets as "Jack Kirby Way" in recognition of his extraordinary contributions to art, culture, and the enduring global legacy of the Lower East Side.
