

**COMMUNITY BOARD 7/MANHATTAN
JANUARY 2002 RESOLUTIONS**

RESOLUTION

Date: January 4, 2002

Committee of Origin: Transportation

Re: Air Craft flying over the West Side.

Full Board Vote: 30 In favor 0 Against 0 Abstentions 0 Present

WHEREAS, Community Board 7/Manhattan acknowledges and thanks the FAA for rerouting air

traffic bound for and originating at both Newark and LaGuardia Airports over-the-water immediately following the World Trade Center tragedy on Sept. 11, 2001, instead of traversing the skies over our densely populated neighborhood; and

WHEREAS, since May 1996 and prior to Sept. 11, 2001, passenger and cargo overflights had been increasing at alarming rates, due especially to the increase of 159 flights per day to/from LaGuardia Airport, significantly adding more danger and pollution to our neighborhood; and

WHEREAS, the recent American Airlines crash of November 12, 2001 underscored the need to keep both commercial and cargo flights over water as much as possible; and

WHEREAS, given the events of Sept. 11, 2001, it seems appropriate, in view of safety concerns and environmental factors involved, as well as the anxiety and concern felt by New Yorkers, that overflights over Manhattan be re-routed over water on a permanent basis,

BE IT RESOLVED THAT Community Board 7/Manhattan does hereby urge the FAA, the Port Authority of New York and New Jersey, the Secretary of the Dept. of Transportation, Norman Mineta, Senators Charles Schumer and Hillary Clinton, Representatives Jerrold Nadler and Carolyn Maloney do all within their respective powers to restore and implement immediately and permanently, the over-the-water routes adopted by the FAA in the immediate aftermath of the World Trade Center tragedy, for both day and night flights – both commercial and cargo, keeping these flights out of the Upper West Side and similar densely populated neighborhoods.
