Able-Bodied Adult Without Dependents (ABAWD) Work Activity Letter

You are receiving this letter because you are applying for or receiving Supplemental Nutrition Assistance Program (SNAP) benefits either individually or as a part of a household, and you are an Able-Bodied Adult Without Dependents (ABAWD) as defined by federal SNAP rules.

Under federal law, ABAWDs are only eligible to receive SNAP benefits for three (3) months in a 3-year period unless they meet certain special work requirements, or are excused. In New York State, this 3-year period will expire on September 30, 2026. A new 3-year period will then start over on October 1, 2026.

For each month that you receive a full month of SNAP benefits and do not meet your ABAWD work requirement, without a good reason, you will use up a countable month. Your countable months are tracked by HRA. Unless you are satisfying your ABAWD work requirement, you will be ineligible to receive SNAP benefits after your third countable month.

To help you meet the ABAWD work requirements and continue to get your SNAP benefit without interruption, we have scheduled the following appointment for you. During this appointment, you will be offered a chance to participate in a work activity that meets the ABAWD work requirement.
