

MARCH 2023 | MAYOR'S OFFICE OF CONTRACT SERVICES

It's National Procurement Month!

Every March, we celebrate the hard work of procurement teams across the country and this year, we have exciting news to share. According to the Open Contracting Partnership (OCP), an international advocacy group promoting procurement transparency, PASSPort Public makes MOCS a nationwide leader in open contracting data!

"The data makes sense and is helpful. (PASSPort Public) is leading in the U.S., congrats!"

– Reilly Martin, Senior Program Manager, US OCP.

Congratulations PASSPort Team! Your hard work keeps us in the forefront of accountability, transparency, and equity for the City of New York!
