CONCESSION AGREEMENT PRE-SOLICITATION REVIEW MEMORANDUM

A. **DETERMINATION TO UTILIZE OTHER THAN COMPETITIVE SEALED BIDS** ☐ N/A

Instructions: Attach copy of draft RFP or other solicitation document, and check all applicable box(es) below.

The Agency has determined that it is not practicable or advantageous to use Competitive Sealed Bids because:

- ☐ Specifications cannot be made sufficiently definite and certain to permit selection based on revenue to the City alone.
- ☐ Judgment is required in evaluating competing proposals, and it is in the best interest of the City to require a balancing of revenue to the City, quality and other factors.
- ☐ The agency will be pursuing a negotiated concession for the reasons listed in section (B)(3)(b)
- ☒ Other (Describe)

The Department of Parks & Recreation ("Parks") is seeking Franchise and Concession Review Committee ("FCRC") approval to utilize a different procedure (pursuant to Section 1-16 of the Concession Rules of the City of New York) to negotiate an amendment to the existing License agreement between Parks and City Ice Sports Inc. ("Licensee"), for the operation and maintenance of Abe Stark Rink, Brooklyn ("License"), for the reasons listed in section (B)(2).

B. **DETERMINATION TO USE OTHER THAN COMPETITIVE SEALED PROPOSALS** ☐ N/A

1. **Briefly summarize the terms and conditions of the concession.** *Add additional sheet(s), if necessary.*

Terms and conditions would be determined when/if the Franchise and Concession Review Committee ("FCRC") approves the use of a different procedure to negotiate an amendment to the existing License. The term of the amendment, is to be negotiated.

2. **Briefly explain the basis for the determination not to solicit Competitive Sealed Proposals.** *[Explain]*

The Abe Stark Rink ("Abe Stark") is currently operated and managed by City Ice Sports Inc. pursuant to an existing License agreement with Parks. The current License agreement expires in September 2022. An extension to the existing License agreement is being pursued because of a delay on a rezoning by the Department of City Planning ("DCP") & the New York City Economic Development Corporation ("EDC"). In 2009, the DCP, in partnership with EDC, the Department of Housing Preservation and Development ("HPD"), and Parks, developed a comprehensive rezoning plan to establish a framework for the revitalization of the Coney Island amusement area and the surrounding blocks. The plan builds upon the remaining amusements to create a new 27-acre amusement and entertainment district that will reestablish Coney Island as a year-round, open, and accessible amusement destination. As part of the rezoning plan, the rink would be demolished & rebuilt.

Recently the expected completion date of the rezoning action has changed, and the completion date is now uncertain. For continuity of service Parks would like to keep the Abe Stark open for the public to use. Especially given the pandemic related closures of the rink during 2020, it's important that the rink remain in operation for the community in Coney Island. Parks believes that it is in the best interests of the City of New York ("City") to amend the existing License to extend the term on a short-term basis rather than to proceed with a competitive solicitation process. Given the uncertainty around the rezoning action and the limited duration of potential operations, Parks believes that competitive solicitation would not yield a viable bid from any entity other than the existing concessionaire, and that any such bid would be on terms less beneficial to the City than the current License.

3a. Briefly explain the selection procedure that will be utilized. [Explain]

Parks is requesting FCRC authorization to utilize a different procedure, pursuant to Section 1-16 of the Concession Rules of the City of New York, to negotiate an amendment to its existing License Agreement with City Ice Sports Inc., which will go before the FCRC on December 6, 2021 (Step 1). Once negotiated and if determined by Parks to be a significant concession, the agency and the FCRC will hold a joint Public Hearing on the proposed amendment to its existing Permit Agreement before presenting it to the FCRC for "Step 2" approval at a second meeting. If Parks determines the concession to be non-significant, the agency will present the fully negotiated amendment with City Ice Sports to the FCRC and request the required FCRC authorization to enter into the amendment directly (without the need for an initial public hearing).

3b. If the selection procedure is a negotiated concession, check the applicable box: ☒ N/A

The Agency made a determination that it is not practicable and/or advantageous to award a concession by competitive sealed bidding or competitive sealed proposals due to the existence of a time-sensitive situation where a concession must be awarded quickly because:

- ☐ The Agency has an opportunity to obtain significant revenues that would be lost or substantially diminished should the agency be required to solicit the concession by competitive sealed bids or competitive sealed proposals and the diminished revenue does not relate only to the present value of the revenue because of the additional time needed to solicit competitive sealed bids or competitive sealed proposals; [Explain]
- ☐ An existing concessionaire has been terminated, has defaulted, has withdrawn from, or has repudiated a concession agreement, or has become otherwise unavailable; [Explain]
- ☐ The Agency has decided, for unanticipated reasons, not to renew an existing concession in the best interest of the City and requires a substitute/successor concessionaire. [Explain]
- ☐ DCAS is awarding a concession to an owner of property adjacent to the concession property, or to a business located on such adjacent property, and has determined that it is not in the best interest of the City to award the concession pursuant to a competitive process because of the layout or some other characteristic of the property, or because of a unique service that can be performed only by the proposed concessionaire. [Explain]

Approved by CCPO: _____ **on** ____/____/____.

4. If the Agency has/will request unanimous FCRC approval to waive advance written notice each affected CB/BP that a selection procedure other than CSB or CSP will be utilized, explain the exigent circumstances. [Explain] ☒ N/A
