In addition to the above performance metrics, MOCS audited and analyzed 10% of all contract actions registered during Q3 of FY'26 that were not procured using the M/WBE Small Purchase method. Upon reviewing and corresponding with the agencies, 100 contracts out of the 123-sample audit were within the Micro purchase limit while 7 contracts were within the Human Service industry. Furthermore, the audit did not reveal any instances in which there is evidence that the agency did not utilize the M/WBE SP method where it was appropriate.
