

Learn About RGF Loans

NYC Mayor's Office
of Contract Services

It's Never Been Easier To Access Loans Through The Returnable Grant Fund!!!

Dear Human Services Provider,

Following up on our [June 23rd communication to the sector](#), we are excited to introduce changes to the Returnable Grant Fund (RGF) that will make it easier to access loans! The RGF will continue to offer interest-free loans to support your organization's critical program expenses as your contracts are processed.

The new, streamlined loan application:

- **Expands eligibility criteria,**
- **Reduces submission requirements, and**
- **Digitizes required fields, including e-signature.**

The new application is available on the [MOCS RGF page](#). If you anticipate needing help with critical expenses, apply today. All RGF loan applications must be submitted to your NYC contracting agency.

Questions? The [MOCS RGF page](#) now includes FAQs and will soon host a walkthrough video of the application. Look out for updates!

Sincerely,

NYC Mayor's Office of Contract Services
