

THE CITY OF NEW YORK
MAYOR'S OFFICE OF MEDIA & ENTERTAINMENT

Approved Equipment and Vehicles

In accordance with MOME Commissioner's Directive No. 8 of July 20, 2020, in the discretion of the Office of Film, Theatre and Broadcasting, the following equipment and vehicles may be approved on Film Permits for activity occurring from July 27 to October 31, 2020. A list of equipment and vehicles for activity after October 31, 2020, will be published at a later date.

A. Equipment

The following equipment may be permitted:

1. No more than two cameras (handheld or affixed to a tripod),
2. No more than three stands used for lights, reflectors, and/or silks, and
3. Sound equipment.

The limits on equipment apply to activity on an exterior location on public property.

B. Vehicles

No more than a total of five of the following vehicles may be permitted:

1. 15-passenger or smaller passenger van,
2. Cargo van,
3. Cube truck,
4. 2-station or 3-station restroom trailer (must be attached to tractor at all times).

The limits on vehicles do not apply to roadways adjacent to a film production facility (as defined in section 24 of the New York Tax Law).
