

## Domestic Violence Bonus Funding Supplemental Questions

If your proposed project focuses on serving survivors of domestic violence (DV), intimate partner violence (IPV), sexual assault (SA), and stalking, please prepare a **.pdf** attachment responding to the following questions. You will be asked to upload said attachment at the end of the [RFQ+P Survey Monkey form](#). Please save your attachment using the format **Orgname\_Projectname\_“DVSupp”\_“NOFO2023”\_date**. Your attachment is limited to 8 pages of Calibri size 11 font with one-inch margins.

- DV1. Describe your organization’s (and subrecipient(s) if applicable) experience effectively serving survivors of DV, IVP, SA, and/or stalking, in terms of securing housing and meeting survivor safety outcomes.
- DV2. Describe how your project aligns with its participants’ stated needs and wishes. Including, but not limited to:
- a. Placement and stabilization in permanent housing,
  - b. Fostering an organizational culture based on mutual respect and participants’ agency,
  - c. Emphasizing each participants’ strengths in the design of case plans, coaching, and assessments, and
  - d. Making information and education about the impact of trauma readily available to participants.
- DV3. What is your organization’s approach to inclusivity? How will your project:
- a. Center cultural responsiveness, nondiscrimination, language access, spiritual needs, accessibility, and trauma-informed care for survivors,
  - b. Prioritize the needs of parenting survivors, and
  - c. Encourage connection between project participants and offer opportunities for leadership, mentorship, and community?
- DV4. How will your project involve participants with a range of lived experiences in policy and program development? What roles will participants play throughout the implementation and operation of this project?
